The 1938

gro

meck

ANNUAL PUBLICATION OF NORTH CAROLINA
STATE COLLEGE • RALEIGH, NORTH CAROLINA

Dedicated

a i o n

NO attempt to review the progress of State College would be complete without an effort to pay tribute to Dean Charles Romeo Lefort. Imbued with an innate sense of justice and impartiality, along with a considerateness unlimited, he became to us the epitome of what we ourselves would like to be, rather than the symbol of grim impersonality that a man who listens to the troubles of a thousand others is apt to be. Because his first thought has always been of others—be it the lowliest freshman or the highest senior; because where duty stops, he has continued beyond unselfishly and sympathetically; and because he has carved a place in the hearts of the students which time cannot erase—we of the Class of 1938 are proud to dedicate this thirty-sixth volume of the Agromeck.

Prologue

NOT self-confidently, but humbly, in the spirit that we dealt with something bigger than ourselves, have we worked upon this book. We have sought with camera, brush, and pen to catch memorable scenes and typical bits from State's swift-moving campus parade and to preserve in permanent form the personalities and events which have for four years moulded our lives. The "Agromeck" is only incidentally an example of the bookmaker's art; its true merit lies in its embodiment of the spirit of North Carolina State College.

BOOK ONE

College

BEAUTIFULLY proportioned,
combining massive grandeur
with gracefulness of line,
Holladay Hall is the first building
to greet the gaze of the
newcomer upon the campus.
It stands a fitting monument to
the courage and foresight of
the founders of the College.

HOLLADAY HALL

ADMINISTRATION

ADMINISTRATION

DR. FRANK PORTER GRAHAM
M.A., LL.D., D.C.L., D.Litt.

*President of the Greater University
of North Carolina*

Doctor Graham received his A.B. degree at the University of North Carolina and he was awarded his A.M. degree at Columbia University. He was the Dean of Students at the University of North Carolina from 1919 to 1920. Doctor Graham then served as History professor at the same school until 1925. He was appointed President of the Greater University of North Carolina in 1930. Among his many honors, he proudly lists Phi Beta Kappa.

COLONEL JOHN W. HARRELSON
B.E., M.E.

*Dean of Administration of North
Carolina State College*

Colonel Harrelson received both of his degrees at North Carolina State College. Dean Harrelson assumed his duties as the Dean of Administration at North Carolina State College in 1934. He is a pioneer who is steadily gaining recognition in educational circles for his untiring work in developing the technical branch of the Greater University.

• North Carolina State College •

DEAN E. L. CLOYD

B.E., M.S.

Dean of Students

Dean Cloyd was appointed Dean of Students in 1918 and is now rounding out his twentieth year in that position. It takes an active, untiring worker to fill capably the position of Dean of Students, and Dean Cloyd is that type of man.

DEAN I. O. SCHAUB

B.S.

Dean of the School of Agriculture

Dean Schaub received his degree from Clemson College and later took graduate work at Johns Hopkins University. Under the able leadership of Dean Schaub the Agriculture School exists not only to teach scientific agriculture work, but to conduct research work in all phases of farming.

DEAN T. E. BROWNE

A.B., A.M.

Dean of the School of Education

Dean Browne was awarded degrees at both Wake Forest and Columbia University. He became connected with North Carolina State College in 1913. Under the leadership of Dean Browne the school of Education has emerged from a small department into one of the major schools in the Greater University.

DEAN B. F. BROWN

B.S.

*Dean of the School of Science
and Business*

Dean Brown took graduate work at both Wisconsin University and the University of Michigan. He took over the duties of the Dean of the school of Science and Business in 1933. Dean Brown is recognized throughout the country as one of the foremost authorities on economics.

DEAN BLAKE VAN LEER
B.S., M.S., M.E.

Dean of the School of Engineering

Dean Van Leer received his degrees from the University of California and Purdue University. Later he attended the Universities at Caen and Munich. He was Dean of the Engineering School at Florida University from 1932 to 1937. He was appointed to his present position in 1937. Dean Van Leer is the author of numerous articles on hydraulics.

DEAN R. F. POOLE
B.S., M.S., Ph.D.

Dean of Graduate Instruction

Dean Poole was awarded his degrees at Clemson College and Rutgers University. Since Dean Poole assumed the position of Dean, the Graduate School has enjoyed a steady growth. Today it offers a Master's Degree in a wide variety of courses.

DEAN THOMAS NELSON
D.Sc.

Dean of the Textile School

To Dean Nelson goes the entire credit of starting and establishing the Textile School at State College. Since its foundation the Textile School has steadily grown until now it enjoys the position of the leading school of its kind in the entire country.

DEAN C. R. LEFORT
B.S.

Assistant Dean of Students

Dean Lefort was appointed Assistant Dean of Students in 1932. Under the helpful guidance of Dean Lefort the honorary societies, as well as the social fraternities, have gained in strength until now they occupy a leading position on the campus.

MEMBERS OF THE FACULTY

ALFORD, A. O. <i>Assistant Agricultural Editor</i>	BROWNE, WILLIAM HAND, JR. <i>Professor of Electrical Engineering</i>	COOK, LEON E. <i>Professor of Education</i>
ALTHAUS, K. G. <i>Major Infantry, Military Instructor</i>	BUCHANAN, J. T. <i>Assistant Steward</i>	COTNER, J. B. <i>Professor of Agronomy</i>
ALTMAN, L. B. <i>District Agent, Agricultural Extension</i>	BUELL, MURRAY F. <i>Instructor, Botany</i>	CRISWELL, JACK FOWLER <i>Head Field Officer of Soil Conservation Commission</i>
ANDERSON, D. B. <i>Professor of Botany</i>	BULLOCK, ROBERTS COZART <i>Assistant Professor of Mathematics</i>	CROWDER, W. G. <i>Assistant at Poultry Plant</i>
AREY, J. A. <i>Dairy Extension</i>	BURNAP, ARTHUR E. <i>Major, Instructor in Military</i>	CULBERSON, GEORGE R. <i>Instructor in Textiles</i>
ARMSTRONG, L. O. <i>Associate Professor of Education</i>	CAIFERY, CHARLES S. <i>Colonel, Professor of Military Science and Tactics</i>	DALE, LINDSEY P. <i>Sergeant, Military Department</i>
BALLENGER, STANLEY T. <i>Assistant Professor of Modern Language</i>	CAMPBELL, DR. ALTON COOK <i>College Physician</i>	DEARSTYNE, ROY STYRING <i>Professor of Poultry</i>
BARNHARDT, LUTHER WESLEY <i>Asst. Professor, History and Government</i>	CAMPBELL, CARLYLE <i>Professor, English</i>	DERIEUX, JOHN B. <i>Professor of Physics</i>
BARTLETT, GRADY W. <i>Instructor, Physics</i>	CANTRELL, CLYDE H. <i>Periodicals and Bindings, Library</i>	DIXON, A. A. <i>Professor of Physics</i>
BAUERLEIN, GEORGE, JR. <i>Instructor of History</i>	CARSON, W. M. <i>Loom Fixer, Textile School</i>	DIXON, FRED <i>Director of Sports Publicity</i>
BLAIR, E. C. <i>Extension Agronomist</i>	CASE, L. I. <i>Animal Husbandry</i>	DOAK, CHARLES GLENN <i>Asst. Professor of Physical Education</i>
BLEDSON, M. C. M. <i>Stenographer, Animal Husbandry and Dairying</i>	CAVENESS, H. L. <i>Assistant Professor of Chemistry</i>	EADDY, HENRY EDWARD <i>Research Fellow in Botany</i>
BOSHART, EDWARD W. <i>Professor of Education</i>	CELL, JOHN W. <i>Assistant Professor of Mathematics</i>	EDWARDS, J. M., JR. <i>Instructor in Architectural Engineering</i>
BOSTIAN, C. H. <i>Asso. Professor, Zoology and Entomology</i>	CHAMBERS, C. L. <i>Manager Book Department, Library</i>	ELLIS, HOWARD M. <i>Agricultural Engineering</i>
BOWEN, A. F. <i>Treasurer</i>	CHAPMAN, W. H. <i>Graduate Assistant, Agronomy Dept.</i>	ETCHELLS, JOHN L. <i>Assistant Bacteriologist</i>
BRAMER, CHARLES RAYMOND <i>Assistant Professor of Civil Engineering</i>	CHASE, THORNTON <i>Major, Infantry, Instructor in Military</i>	FARNHAM, F. R. <i>Extension Dairyman</i>
BRIDGES, W. S. <i>Asst. Prof. of Mechanical Engineering</i>	CLARK, JOSEPH D. <i>Professor, English</i>	FELTNER, CHARLES E. <i>Instructor in Mechanical Engineering</i>
BRIGGS, HERMON B. <i>Professor of Mechanical Engineering</i>	CLARKSON, JOHN MONTGOMERY <i>Assistant Professor of Mathematics</i>	FERGUSON, B. TROY <i>District Agent, Agricultural Extension</i>
BRIGMAN, H. P. <i>Clerk, Poultry Department</i>	CLEGG, ROBERT EDWARD <i>Teaching Fellow in Chemistry</i>	FERGUSON, J. C. <i>Extension Cotton Gin Specialist</i>
BROADDUS, RUSSEL GARMAN <i>Agricultural Engineer</i>	CLEMENT, S. L. <i>Asso. Professor Agricultural Economics</i>	FISHER, H. A. <i>Professor of Mathematics</i>
BROOKS, MRS. C. C. <i>Night Nurse, Infirmary</i>	CLEVINGER, C. B. <i>Professor of Soils</i>	FLOYD, E. Y. <i>Tobacco Specialist</i>
BROOKS, DR. E. C. <i>President, Emeritus</i>	CLEVINGER, MRS. REBA DAVIS <i>Reference Librarian, Library</i>	FONTAINE, JAMES <i>Asst. Professor of Civil Engineering</i>
BROWN, B. F. <i>Dean, School of Science and Business</i>	CLEVINGER, W. L. <i>Professor of Animal Husbandry and Dairying</i>	FORNES, GASTON G. <i>Instructor in Mechanical Engineering</i>
BROWN, HARLAN C. <i>Circulation Librarian</i>	CLOYD, E. I. <i>Dean of Students</i>	FORSTER, G. W. <i>Head of Department of Agricultural Economics</i>
BROWN, ROBERT R. <i>Asst. Professor of Electrical Engineering</i>	COGGIN, JAMES KIRK <i>Associate Professor of Education</i>	FOSTER, JOHN ERWIN <i>Asso. Professor of Animal Husbandry</i>
BROWN, T. C. <i>Instructor, Mechanical Engineering</i>	COLLINS, EMERSON R. <i>Agronomist</i>	FOUNTAIN, ALVIN MARCUS <i>Assistant Professor of English</i>
BROWN, T. T. <i>Extension Poultryman</i>	CONNER, NORVAL WHITE <i>Asst. Professor Mechanical Engineering</i>	FOURAKER, R. S. <i>Professor of Electrical Engineering</i>
BROWNE, THOMAS EVERETT <i>Dean, School of Education</i>	COOK, F. W. <i>Instructor in Poultry</i>	FULTON, B. B. <i>Research Entomologist</i>

MEMBERS OF THE FACULTY

GAITHER, E. W. <i>District Agent, Agricultural Extension</i>	HARRILL, L. R. <i>State 4-H Club Leader</i>	JONES, ARTHUR DAVE <i>Assistant Professor of Chemistry</i>
GARDNER, M. E. <i>Professor of Horticulture</i>	HARRIS, LOUIS H. <i>Steward</i>	JONES, D. E. <i>Extension Specialist</i>
GARODNICK, IRVIN O. <i>Instructor of Modern Languages</i>	HARRIS, R. J. <i>Asst. Director of Experiment Station</i>	JONES, I. D. <i>Horticulturist</i>
GARRISON, K. C. <i>Professor of Psychology</i>	HARRIS, ROBERT P. <i>Teaching Fellow in Chemical Engineering</i>	JONES, ROBERT E. <i>Major, Instructor in Military</i>
GARRISS, H. R. <i>Teaching Fellow, Botany</i>	HARRISON, THOMAS PERRIN <i>Professor of English</i>	JORDAN, WALTER EDWARD <i>Associate Professor in Chemistry</i>
GAUGER, H. C. <i>Assistant Professor of Poultry</i>	HART, T. R. <i>Asso. Professor of Weaving and Dyeing</i>	KEEVER, LEROY M. <i>Asst. Professor in Electrical Engineering</i>
GEILE, W. G. <i>Professor of Structural Engineering</i>	HARTLEY, LODWICK C. <i>Assistant Professor of English</i>	KELLAM, W. P. <i>Librarian</i>
GEORGE, D'ARCY <i>Teaching Fellow, Geology</i>	HAYES, ARTHUR C. <i>Instructor in Textile Chemistry and Dyeing</i>	KELLY, J. W. <i>Assistant in Poultry Diseases</i>
GILES, G. WALLACE <i>Asst. Professor of Agri. Engineering</i>	HECK, CHARLES M. <i>Professor of Physics</i>	KERR, EDWARD G. <i>Superintendent of College Dairy</i>
GLENN, KARL B. <i>Asst. Professor of Electrical Engineering</i>	HICKMAN, HERMAN <i>Line Coach</i>	KERR, THOMAS <i>Associate Cytologist</i>
GLINDMEIER, OSCAR <i>Custodian of Gym</i>	HICKS, W. N. <i>Asso. Professor, Religion and Sociology</i>	KIME, P. H. <i>Agronomist</i>
GODFREY, ROBERT K. <i>Teaching Fellow, Botany</i>	HILL, CLARENCE HOWELL <i>Teaching Fellow in Zoology</i>	KIMREY, A. C. <i>Extension Dairyman</i>
GOODMAN, JOHN W. <i>Asst. Director of Agricultural Extension</i>	HILTON, JOHN T. <i>Professor of Yarn Manufacturing</i>	KING, EDWARD S. <i>General Secretary of Y. M. C. A.</i>
GRAEBER, R. W. <i>Extension Forester</i>	HINKLE, L. E. <i>Professor of Modern Languages</i>	KLUTTZ, ROBERT L. <i>Asst. Agricultural Extension Editor</i>
GRANT, M. C. <i>College Plumber</i>	HINER, FOYE PATE <i>Cashier</i>	KNIGHT, GENE <i>Extension Radio Editor</i>
GRANTHAM, MRS. MARY S. <i>X-ray and Laboratory Technician</i>	HOFMANN, JULIUS V. <i>Director of Forestry School</i>	KNIGHT, LEONARD M. <i>Military Department</i>
GREAVES-WALKER, ARTHUR F. <i>Professor of Ceramic Engineering</i>	HOLLAMON, JOHN S. <i>Animal Husbandry and Dairying Dept.</i>	KURFEHS, GEORGE J. <i>Teaching Fellow in Civil Engineering</i>
GREEN, R. W. <i>Associate Professor of Economics</i>	HOLLAND, V. BRADSHAW <i>Teaching Fellow in Chemistry</i>	KUTSCHINSKI, CHRISTIAN D. <i>Musical Director</i>
GREENE, R. E. L. <i>Assistant in Farm Management</i>	HOSTETLER, EARL H. <i>Professor of Animal Husbandry</i>	LADU, ARTHUR I. <i>Professor of English</i>
GREGORY, DAVID <i>Research Fellow in Poultry</i>	HUBBARD, ERNESI FRANKLIN <i>Teaching Fellow in Education</i>	LAMBE, C. M. <i>Instructor in Civil Engineering</i>
GRIMSHAW, ALBERT H. <i>Associate Professor of Textile Chemistry and Dyeing</i>	HUDSON, C. R. <i>Agricultural Extension Service</i>	LANCASTER, FORREST WESLEY <i>Assistant Professor in Physics</i>
GRINNELLS, C. D. <i>Dairy Investigations Office</i>	HUTCHINSON, H. H. <i>Audit Clerk, Treasurer's Office</i>	LA RIVERS, IRA <i>Teaching Fellow in Zoology</i>
HACKNEY, J. CARLYLE <i>Teaching Fellow in Chemistry</i>	HUTCHISON, J. J. <i>Assistant Professor, Poultry</i>	LAUER, B. E. <i>Asst. Professor of Chemical Engineering</i>
HAIG, FREDERICK MORGAN <i>Asso. Professor of Animal Husbandry and Dairying</i>	IVEY, L. L. <i>Manager of College Book Store</i>	LAY, GEORGE B. <i>Rodent Control Leader</i>
HALVERSON, J. O. <i>Dept. of Animal Nutrition Research</i>	JETER, FRANK H. <i>Director of State College News Bureau</i>	LEAGER, MARC C. <i>Professor of Business Administration</i>
HARKEMA, REINARD <i>Instructor in Zoology</i>	JOHANSEN, J. W. <i>Extension Economist</i>	LEE, F. A., JR. <i>Assistant Professor of Mathematics</i>
HARRELSON, JOHN WILLIAM <i>Dean of Administration</i>	JOHNSON, J. P. <i>Instructor Engineering</i>	LEE, WILLIAM D. <i>Extension Soil Conservationist</i>
	JOHNSON, THEODORE SEDGWICK <i>Professor of Civil Engineering</i>	LEFORT, CHARLES ROMEO <i>Assistant Dean of Students</i>
		LEHMAN, S. G. <i>Professor of Plant Pathology</i>

MEMBERS OF THE FACULTY

- LEIGHTON, HENRY P.
Assistant Military Department
- LEVINE, JACK
Asst. Professor Mathematics Dept.
- LEWIS, J. G.
Instructor, Textile School
- LINDAU, WILLIAM E.
Reporter, News Bureau-Publicity
- LINDSAY, JAMES DONALD
Asso. Professor of Chemical Engineering
- LIPSCHUTZ, DAN
Grad. Fellow, Civil Engineering Dept.
- LOCKMILLER, DAVID A.
Asst. Professor History and Political Science
- LOVVORN, R. L.
Agronomist, Agronomy Department
- LUTZ, J. F.
Assoc. Prof. of Soils, Agronomy Dept.
- LYELL, FRANK HALLAM
Instructor, English Department
- MCCRARY, O. F.
District Agent, Agr. Extension Dept.
- MCCUTCHEON, FREDERICK HAROLD
Asst. Prof., Zoology and Ent. Dept.
- MCGEHEE, WILLIAM
Instructor, Psychology Dept.
- M McNATT, EMMETT B.
Assistant Professor, Economics
- MCSWAIN, C. W.
Research in Cotton Utilization, Textile School
- MADDISON, ROBERT J.
Foreman of Foundry and Forge
- MALONE, H. B.
Teaching Fellow, Textile Chemistry and Dyeing
- MANN, CARROLL LAMB
Prof. and Head of Civil Eng. Dept.
- MANN, JULIAN
In Charge, Ext. Studies, Agr. Ext. Ser.
- MARSHALL, ROGER POWELL
Asst. Professor, English Dept.
- MASK, F. E.
Teaching Fellow, Mathematics Dept.
- MATTHEWS, M. TAYLOR
Asso. Professor, Rur. Soc. Dept.
- MAUPIN, C. J.
Extension Poultryman, Poultry Dept.

College Electrician
- WYMAN, LENTHALL
Professor, Forestry Dept.
- WYNN, WILLARD KENDALL
Asst. Professor, English Dept.
- WYNNE, ROBERT B.
Instructor, English Dept.
- YATES, J. E.
Teaching Fellow, Physics Dept.

BOOK TWO

Classes

STERN red brick walls lend a well-deserved ominous atmosphere to this hall of learning, inside of which the “Battle of Grammar” is bitterly waged for three-fourths of the year, with quarter neither sought nor granted.

ALFRED JOHNSON LOWDERMILK

MOUNT GILEAD, N. C.

Chemical Engineering

R. O. T. C. (1, 2); A. I. Ch. E.; Pine Burr;
Gamma Sigma Epsilon.

HOWARD WILLIAM LULL

ASHEVILLE, N. C.

Forestry

Forestry Club; Managing Editor *Pinetum* (3), Editor *Pinetum* (4).

PAUL JUNIOR LYERLY

GRANITE QUARRY, N. C.

Agronomy

Alpha Zeta; Pine Burr; Lambda Gamma Delta;
Agriculture Club Secretary; Business Manager Agri-
culturist (4).

RICHARD MACKENZIE

WILMINGTON, N. C.

Textile Manufacturing

Order of 30 and 3; Technician Staff (2, 3, 4);
Vice-President (1); Student Government (2, 3),
Treasurer (3); R. O. T. C. (1, 2, 3), Lieut.-Colonel
(4).

OFFIE WILSON MANN

ALBEMARLE, N. C.

Textile Manufacturing

Phi Psi; Basketball (1, 2, 3, 4); Baseball (1, 2,
3, 4).

LOUIS MARK

NEW YORK, N. Y.

High School Teaching

Monogram Club; Football (1, 2, 3), Captain (4);
Boxing (1); R. O. T. C. (1, 2, 3), Captain (4).

• North Carolina State •

ROBERT STEWART MARSH

MONROE, N. C.

Agriculture Engineering

Y. M. C. A.; Agriculture Club.

WALTER J. MARSHBURN, JR.

BURGAW, N. C.

Forestry

Forestry Club; Agriculture Club; R. O. T. C. (1,
2).

HARTWELL C. MARTIN

ROANOKE, VA.

Forestry

Pinetum (4); Life Saving Corps: R. O. T. C. (2, 3); Eagle Scout Club; Forestry Club.

WILLIAM HESTON MARTIN, A X A

WINSTON-SALEM, N. C.

Chemical Engineering

A. I. Ch. E.; Swimming (3); Interfraternity Council (3, 4), Vice-President (4).

• The 1938 Senior Class •

JOE T. MASSEY

RALEIGH, N. C.

Electrical Engineering

Phi Eta Sigma; Tau Beta Pi; Pine Burr; Scabbard and Blade; A. I. E. E.; Upsilon Sigma Alpha; R. O. T. C. (1, 2), Battalion, Sgt.-Major (3), Colonel (4).

FRED FRANCIS MASTROLIA

EAST BOSTON, MASS.

High School Teaching

Football (1, 2, 3, 4); International Relations Club.

WILLIAM ANDREW MAUNEY, Σ N

LINCOLNTON, N. C.

Textile Manufacturing

Tompkins Textile Society.

ADDISON MAUPIN

RALEIGH, N. C.

Ceramic Engineering

R. O. T. C. (1, 2, 3), Captain (4); Keramos; A. C. S.; Engineers Council; Companion of St. Patrick.

THE GOLDEN CHAIN

SENIOR HONORARY

Golden Chain, Senior Honorary Society, was organized in May, 1926. The purpose of the society is to promote better citizenship and leadership on the campus. In May each year, twelve Juniors, considered the outstanding members of their class, are added to the Chain by a tapping ceremony at the Memorial Tower.

MILITARY

The Reserve Officers Training Corps is one of the major divisions of North Carolina State College and is one of the most active organizations on the campus. The unit is the largest regiment in the Fourth Corps Area, and also maintains the distinction of being one of the finest R. O. T. C. units in the entire country.

The unit is under the direction of five commissioned Army officers. These officers act as drill instructors, military classroom professors, and executives who handle the supplies, training program, and the social activities of the military unit. It is because of the untiring efforts of these tactical officers that the unit has been able to maintain its rank as one of the best drilled units in the country.

SCABBARD AND BLADE

Scabbard and Blade is a national honorary military society. It was founded in the spring of 1905 by five cadet officers of the First Regiment, University of Wisconsin Corps of Cadets. At the present time there are 78 active companies having a total enlistment of over 22,000. The purpose of Scabbard and Blade is to raise the standard of military training in American colleges and universities; to unite in closer relationship their military departments; and to promote intimacy and good fellowship among the cadet officers.

PUBLICATION BOARD

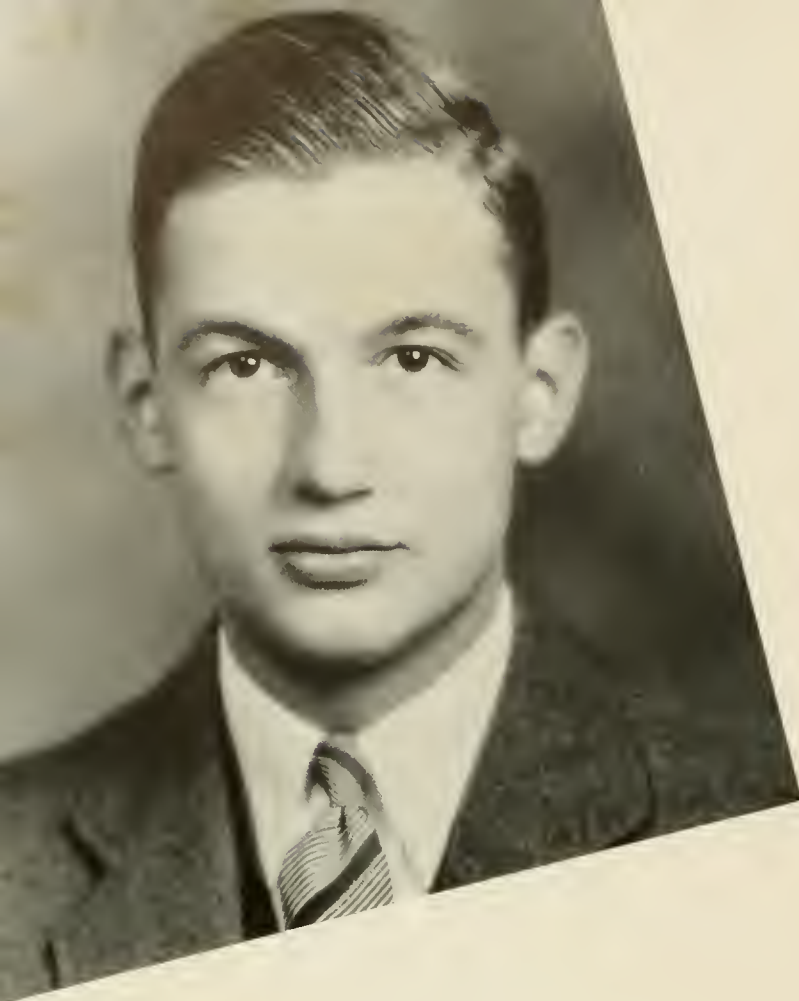

The Publication Board is composed of certain members of the Administration and all Editors and Business Managers of the major publications on the campus. They have complete control over the publications and it is their job to see that these publications are run in a smooth and orderly manner. The Board is constantly searching and trying to give North Carolina State College the best publications that are available.

The AGROMECK 1938

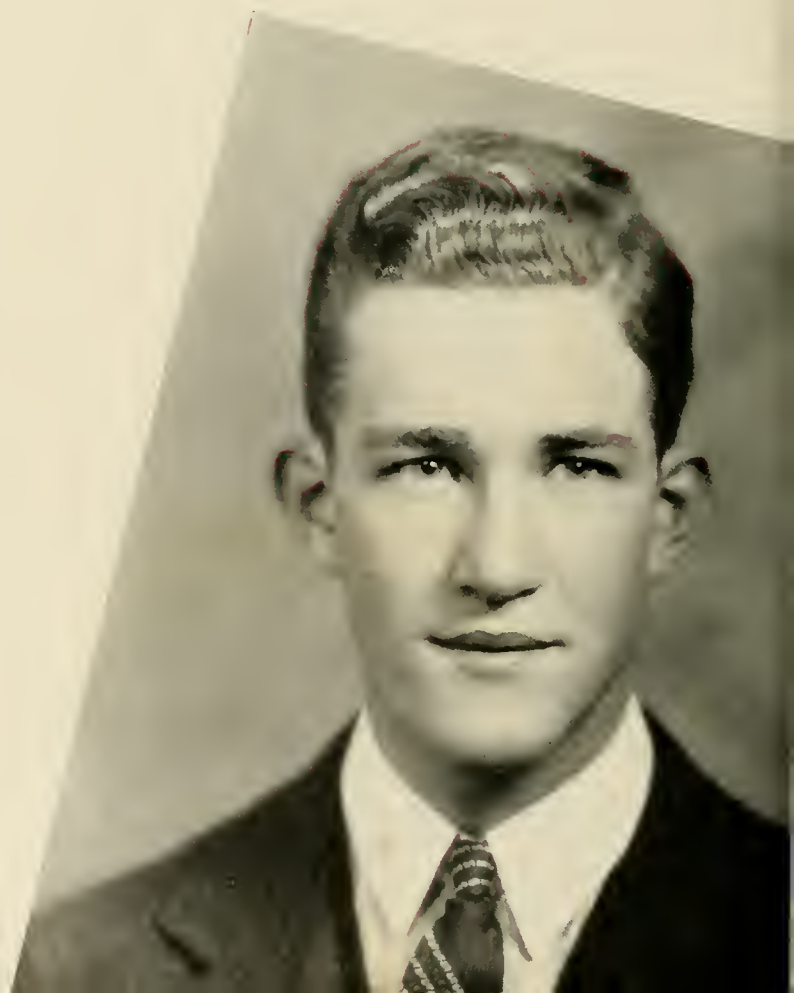

To those of us who planned the book it has been a real labor of love. We were, finally, selfish in our devotion to the book and to our demands on others. But there were many, not only of the Senior Class, but of the other classes, who were very generous of their meager supply of time, and without whose help the book could not have existed.

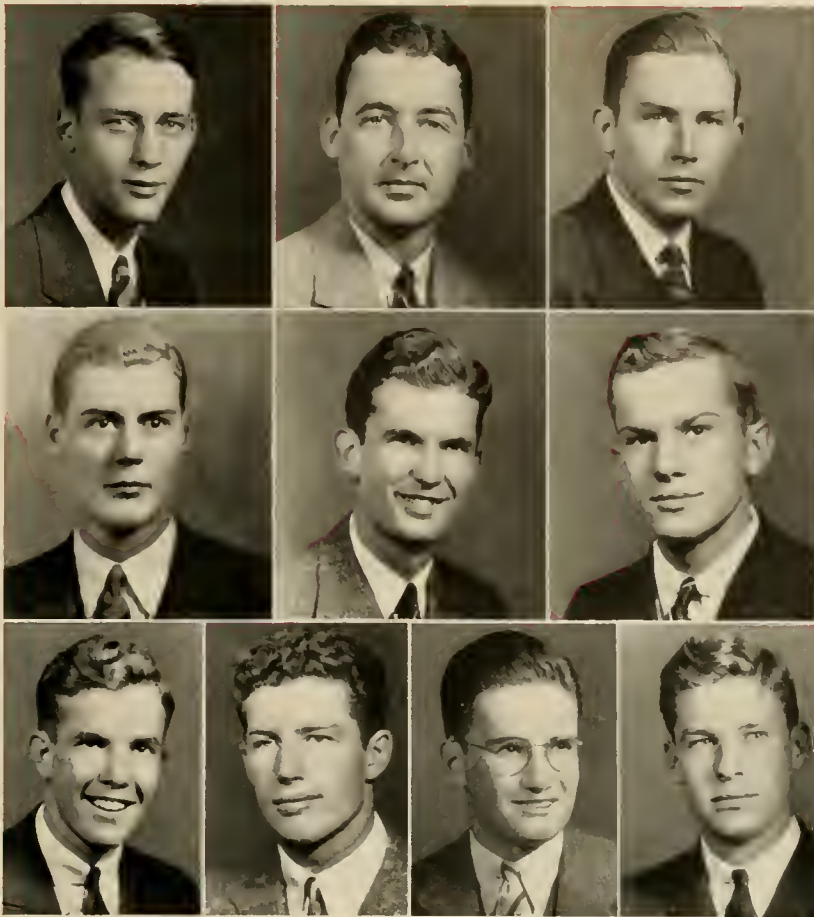

JAMES T. CATLIN, III
Editor-in-Chief

• The 1938 Agromeck •

As we are graduated from North Carolina State College, so will this AGROMECK probably take its place among the many school-day treasures of this Senior Class. And as we hope ourselves to be judged worthy of the long line of graduates before us, so we hope that this, our book, will take its place as a worthy expression of that tradition we know so well.

THE WATAUGAN

As another year draws swiftly to a close, we look back and see that the *Wataugan* has enjoyed its twelfth year of success. To the editorial staff—our congratulations for getting so many issues past the administrative authorities without being called to account. To the business staff—you have done a nice job making the *Wataugan* a financial success. Trying to give each student on the campus exactly what he wants is a real problem, you have come as near satisfying everyone as you possibly could have done.

To those of you who do not read the *Wataugan* we might say that it is an entirely humorous magazine published at irregular intervals six times each year.

For fourteen years *The Agriculturist* has been the written voice of the students of The Agricultural School. This publication appears monthly during the school year with the purposes, as set forth by the students, of maintaining closer relations between the faculty and the students, keeping the alumni and the extension department members posted as to the work of the Agricultural School, and promoting a closer contact with the citizens of the state.

The Agriculturist affords the students of the School of Agriculture an opportunity to express their opinions on subjects of interest to the farmers and extension workers throughout the state. This magazine also gives those students who are interested in writing on agricultural subjects the opportunity to put their desires into practice and to edit and publish an agricultural magazine.

This publication has proven to be a splendid channel for publicising the college and the Agricultural School.

H. W. LULL
Editor

THE PINETUM

The *Pinetum* is published yearly as the annual of the Forestry School. The staffs of the past few years have done wonders in surmounting all the obstacles to make the *Pinetum* one of the best publications on the campus. By the efforts of these staffs the *Pinetum* has grown from a very small publication to one of which the Forestry School is justly proud. This year the editorial staff has enlarged the annual again, and has used more pictures of various kinds. The business staff cannot be overlooked, for it is through them that these advancements are made possible. They procure the advertising and handle all the financial affairs of the publication.

DELTA SIGMA PI

JAMES FULGHUM
President

Delta Sigma Pi was founded at New York University, School of Commerce, Accounts, and Finance on November 7, 1907. It is a professional commerce and business administration fraternity organized to foster the study of business in universities, to encourage scholarship, and the association of students for their mutual advancement by research and practice, to promote a closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.

RAMSEY

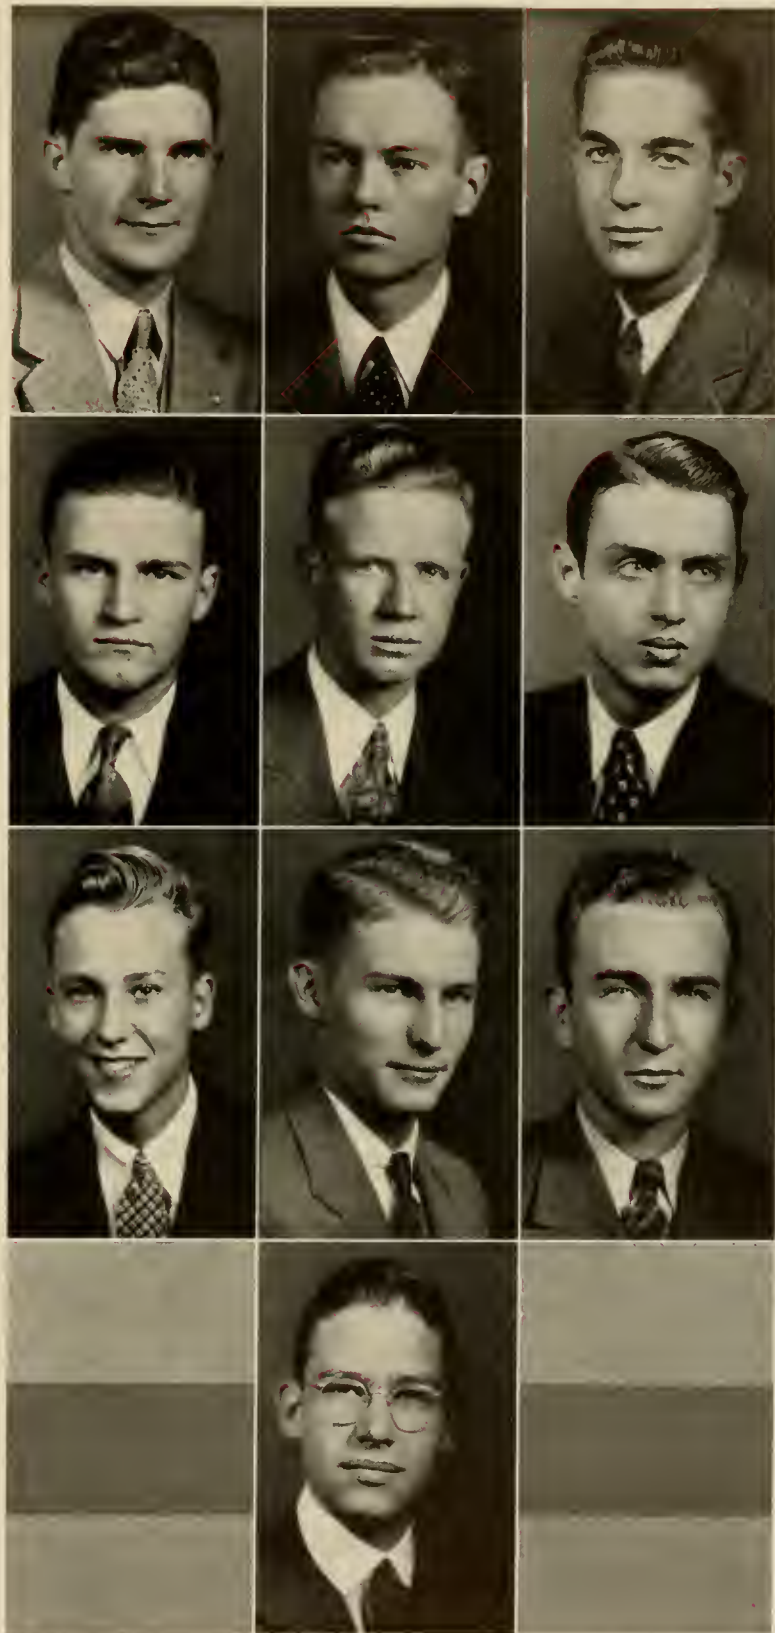

MARSH

WORRELL

It is the purpose of the Student Government to handle all matters of student conduct, honor, and general student interest; and to promote in campus life self-control, personal responsibility, and loyalty to the college and to the student body. Every duly registered student of North Carolina State College automatically becomes a member of the Student Government and is subject to the jurisdiction of its legislative branches. Each undergraduate at the time of his enrollment must sign a pledge accepting his part in the Student Government and pledging his support to the cause.

The article of the Student Government had its origin at this college in 1921. Since that time there have been revisions made in order that changing conditions and needs might be adequately coped with, but the principles of student participation have remained unchanged. The Student Government is valuable to the students in that it develops a sense of responsibility in the student and trains him along lines which are conducive to good citizenship.

STALLINGS

The Young Men's Christian Association on the State College campus is a fellowship whose primary purpose is to win boys and men to Jesus Christ, to associate with them in Christian living, and to help them to discover and to accept the full meaning of Christian discipleship for their own lives and for society.

Like all living fellowships, our Association has been responsive to changing situations and to new factors in its environment. This development appears in range of fellowship, in extension of program, in liberty of thought and practice, in church and community relations, and in world-wide brotherhood.

The Pine Burr Society is the local scholarship organization peculiar to North Carolina State College. It was founded in 1922 and has for its purposes the encouragement of high standards of scholarship, the development of leadership in all worth-while organizations on the campus and the preservation of the history of the College.

Requirements for membership are high and include that the student must have been pursuing a regular course leading to a degree, that he has been in attendance for two and one-half years, that he has an average above 85, that he has not failed a course and that he is active, loyal, and prominent in some extra-curricular activity.

The North Carolina chapter of Alpha Zeta, national honorary agriculture fraternity, was established in 1904. Alpha Zeta's first chapter was founded at Ohio State University in 1897. The members are chosen from the upperclassmen of the School of Agriculture who have a scholastic ranking in the upper two-fifths of their classes. The limitation for membership also requires that only those students who possess outstanding qualities of character and leadership be admitted. The chapter is always striving for the advancement and betterment of the Agriculture School, and all agricultural endeavors.

The Tau Beta Pi Association, national honor society, covers the entire engineering field, but none other than the engineering. Tau Beta Pi was founded for the chief reason that brilliant engineers being unable to join honor societies, since education seemingly held a monopoly on the honor society at that time. In 1892 the first chapter was founded at Lehigh University.

Although distinguished scholarship is the primary requisite for admission into Tau Beta Pi, it is not considered the sole criterion. After scholarship requirements have been fulfilled, the selection is based on integrity, breadth of interest both inside and outside engineering, adaptability, and self-activity.

Phi Psi is the largest textile fraternity in the world and its alumni hold some of the highest positions of trust and respect in all branches of the industry. So that the alumni might maintain closer contact with each other, alumni chapters are located in all leading textile centers of the country.

Since its organization at State College, Eta Chapter has taken an important part in the activities of the Textile School. Its members have been prominent, not only in the affairs of the department but also of the college as a whole. They have gone out to earn places of trust and responsibility in the textile industry.

The Engineer's Council was organized in the fall of 1926 by a group of students from each of the engineering departments with the help of two professors. The purposes of this organization are to promote the interest and welfare of the students in the school of engineering, to create and maintain a fraternal spirit among the students of the several departments, to provide for the management of affairs in which all engineering students are represented, and to provide for the publication of an engineers' magazine.

Upsilon Sigma Alpha is a National Army Fraternity that was founded at Fort George G. Meade, Maryland in April, 1933. Under the original constitution drawn up by the eleven charter members, the membership was restricted to sons of Army officers and Cadets of the United States Military and Naval Academies but has since been expanded to include cadets in the Advanced Course R. O. T. C.

The purpose of the fraternity is to perpetuate the truly American traditions and principles that constitute our policy of National Defense, and to lend active and moral support to the Regular Army, the National Guard, the Organized Reserve Corps, the R. O. T. C., and all other components of our National Defense system.

Sigma Tau Sigma was founded for the purpose of instilling in the Textile students a desire for higher standards in scholarship. This honorary fraternity offers a cup each year to the Senior in Textiles that has the highest average. To meet the requirements of membership a student must have an average of not less than eighty. The name for this fraternity was selected from the Greek letters meaning Society of Textile Scholarship.

Keramos, the national professional Ceramic Engineering fraternity was organized in 1902 at Ohio State University, and is the oldest professional engineering fraternity in the world. While the organization is strictly professional in nature, the requirements for membership are as high as most of the honorary societies and it permits the wearing of the key by honor students. Membership is offered only to students in the department of Ceramics or Ceramic engineering who have a good scholarship record, of good character, and who give promise of making good in the industry.

The object of Gamma Sigma Epsilon is to increase interest and scholarship in chemistry, and the general welfare of the chemist. The formation of Gamma Sigma Epsilon was for the purpose of happiness, comfort, and health of its fellowmen; to bring into closer relation the facts of science with the truths of God through the promotion of chemistry. The fraternity also promotes the subordination to law by engineering a higher regard for virtue and truth and unity with the members in close bond of friendship and fellow feeling those deemed worthy of esteem.

This organization, the national technical society of the ceramic industry, was organized in 1889 by six undergraduates in the first department of ceramic engineering in the world, at Ohio State University. Having no competition from other technical societies in the ceramic field, it has shown a constant and healthy growth and has become one of the outstanding technical organizations in the country.

MEMBERS

All Students of Agricultural Education

The trend of education today is toward the vocational type. In order to enable the future vocational instructors to become prepared, the Agricultural Education Society was formed. In this society the members get experience in group leadership. Meetings are held twice a month, at which time students discuss the latest trends in agriculture.

TOMPKINS TEXTILE SOCIETY

OFFICERS

J. E. SPAINHOUR	<i>President</i>
CHARLES L. FULP	<i>Vice-President</i>
C. J. SQUIRES	<i>Secretary-Treasurer</i>

STUDENT MEMBERS

All Students in the Textile School

The Tompkins Textile Society is a professional organization which was founded at State College for the purpose of having a place where students might discuss textile problems and other subjects connected with the textile industry. Meetings are held weekly, and at various times during the year men prominent in textile address the society. In this manner students come in contact with men who are experienced in the textile field, and can obtain valuable information from them. During the spring term, the Textile Department conducts an exposition, and the Tompkins Textile Society takes an active part in this activity. The textile show features a fashion parade, which is participated in by students from various girls' schools in the state. All the material for the dresses used in this parade is designed and woven by State College students.

All Students in the School of Agriculture

The Agricultural Club, which has shown through its record of achievement and success that it deserves the position of prominence which it has obtained, is the official student organization of the School of Agriculture. It strives to afford the Agricultural Students lessons in conducting a deliberative body and enjoys unusual success by virtue of the fact that officers are elected thrice yearly. Programs may be given by the students themselves or may include talks by qualified men in the field of Agriculture. An Agricultural Club Key, available to those who fill certain requirements, was instituted this year.

DR. E. E. RANDOLPH
Faculty Adviser

Although one of the most recent branches of national engineering organizations to be established at the North Carolina State College, the local student branch of American Institute of Chemical Engineers, nevertheless, plays an outstanding part in the activities of the School of Engineering. Topics of technical and general interest are discussed at the bi-monthly meetings.

There are ten active chapters of Lambda Gamma Delta. To obtain membership in the Epsilon chapter, the student must have been a member of one of the various Inter-Collegiate Student Judging Contest Teams of Agriculture products, or he must have made a special showing in some particular part of agriculture that would warrant a meritorious award for his outstanding work. The judging teams and their coaches have always made State College justly proud of them by their outstanding records. The members of Lambda Gamma Delta receive very valuable training through the experience and personal contacts made in the preparing for the contest and in the contests themselves.

The American Society of Civil Engineers is the oldest national engineering society in the United States, and during its lifetime has earned a record list of accomplishments, particularly encouraging intercourse between students and practicing engineers. The State College Chapter has been particularly fortunate in this respect. Most of the members of the faculty are members of the national society and they have coöperated to make this link connecting the theory of the class room with the technical facts and realities of the job.

The N. C. State College Chapter of the Associated General Contractors of America was granted its Charter on Jan. 16, 1930, thus becoming the first Student Chapter of this Society in the United States. Following this lead other Student Chapters were installed in leading engineering colleges.

The purpose of this society is to promote good fellowship among the students in construction engineering; to broaden their interest; and to bring them in contact with practicing contractors, engineers, and architects.

North Carolina State College Life Saving Corps was organized in the spring of 1935. The corps is affiliated with the American National Red Cross Life Saving Service. The purpose of this organization is to teach and promote swimming, life saving, and water saving. Before the Corps was organized, individual examiners conducted such work. During the past six years over 700 students have been issued senior life saving certificates.

The student in order to become a member of the corps must have an Examiner's appointment from the American National Red Cross Life Saving Service, and be accepted by the charter members.

The national honorary fraternity of Alpha Sigma Sigma is composed of those "standing-out" men who have fulfilled all of the requirements for membership. Since its founding, this grand old society has expanded very much and chapters have been established in other institutions where the material for membership is of the best. Carolina and Wake Forest afford us with the best examples of the above mentioned institutions. Membership is attained by a campus-wide election held annually for this not-sought-after and not-wanted honor. The purpose of Alpha Sigma Sigma is to bring about a better understanding between these not-honored men and to enable them to comprehend their own peculiarities. Following the example of the College, Alpha Sigma Sigma raised their standards for entrance this year. A record-breaking poll of two thousand, four hundred and thirty-nine votes were cast.

FOOTBALL

North Carolina State College's 1937 football season was one of transition. A new coaching staff took charge and their task, which was no light one, was to perfect the State squad in the intricacies of the Newton style of play. Although Williams "Doc" Newton, the new head coach, was facing the task of building a winning team from a squad of hold-overs and reserves, he was seconded by a staff that was well qualified to assist him. Bob Warren, former Freshman coach, and rotund Herman Hickman took over the backfield and line respectively. The State mentors found the squad well fortified at the ends and at center, while the tackles and backfield were lacking in

experienced reserves and the guards were woefully weak. And so—with a new coaching staff, an entirely new system of play, and with rather an inexperienced squad, State opened the most strenuous schedule ever attempted by a State College team.

Doc Newton took his Wolfpack to Greensboro to tangle with Davidson in the opening game. The sports writers predicted the game as a toss-up. The game was but a few seconds old before it was apparent that the State coaches had changed the former toothless Wolfpack into a snarling 'Pack that fought from whistle to whistle. Late in the first quarter, little Eddie Berlinski broke off tackle, shook off five would-be tacklers and sped 42 yards before Teeny Lafferty hauled him down from

behind. A pass from Rooney to Tatum placed the ball on the three-yard stripe. A penalty set the Techs back to the eight but "Fluffy" Gardner banged his way back to the three. Rooney flipped a short pass over the goal line and big Jess Tatum leaped in the air and pulled it in for the only touchdown of the game. Late in the game the Wildcats tallied a safety to make the final score, State 6 and Davidson 2.

The second game of the year was the Homecoming game for the Techs. The University of North Carolina journeyed over from Chapel Hill and handed the Wolves their first setback of the year. The final score was 20 to 0 in favor of the Tar Heels of Carolina. Two big, strong teams met and the more experienced team won. The Tar Heels tallied twice in the

first half and then added the final score in the last period of play. The Wolfpack just could not click and it was late in the second half before they showed any kind of offense.

The Techs headed for South Carolina, and even though they were cast in the role of the under-dog, they returned home with a 7 to 7 draw with the Purple Hurricane of Furman. The Wolves got behind in the first quarter and did not catch up until the final period when "Buzzer" Berlinski sped around right end for 25 yards and the tying score. Many times during the game the Techs were forced to dig in deep in their home territory, but each time they held for downs. Louie Mark, center, and Jess Tatum, end, were the mainstays of the line and Rooney and Berlinski paced the backfield.

State's football team hit the comeback trail with a bang and after two weeks of listless play, they punched out a 13 to 7 victory over the Gobblers from V. P. I. A long pass from Rooney to Berry netted 35 yards and on the next play Rooney dived over the center of the line for the Techs first score. Early in the second half, Eddie Berlinski reversed his field and ambled around his own right end for 25 yards and the second score. Big Jess Tatum cleared the way for the "Little Buzzer." V. P. I. tallied in the third period but trailed for the rest of the game.

The Wolfpack traveled to Wake Forest and slapped a 20 to 0 defeat on the demon Deacons. With fewer fumbles and a little more coördination than was shown in previous games, the big State team completely routed the Deacons of Wake

Forest. Wide-end runs, slants off tackle, and passes were used very effectively but very little faking was done. Eddie Berlinski tallied two touchdowns and threw a pass for the third marker. The alert State line ripped the Wake Forest line to pieces and near the end of the game the Deacons were slowing down under the tough punishment.

On the first invasion of the North, the State Wolfpack returned with a 12 to 7 verdict over the Eagles of Boston College. The Eagles tallied in the first period. In the second quarter, Eddie Berlinski broke loose and picked up 38 yards before being stopped. Then Art Rooney faded back and uncorked a 23-yard pass to Berlinski who was waiting over the pay-off stripe for it. But for a time it seemed that the Techs were to

be denied the victory and it was not until the last four minutes of play that they pulled ahead. With the seconds ticking away, Berlinski took the ball and on a twisting, flashing run, picked up 74 yards and the final score. Although the backs came through in fine style, it was the scrappy line that really spelled victory for the Wolves.

The snarling 'Pack racked up another victory over the southern Bulldogs of Citadel by the score of 26 to 14. The Bulldogs tallied first but then the Techs started rolling. They loosened up with a high-powered brand of tricky football that spelled defeat for the Bulldogs. The varsity started the rout on the invaders that was carried on later by the second and even the third stringers. The new system which was really beginning

to click baffled the Citadel team and had little trouble in earning an easy victory.

The Techs made their second invasion of the North but did not find victory on their side on the second attempt. The Jaspers of Manhattan College turned the Wolves back by the score of 15 to 0. The game was played in a sea of mud and the State system with its double passes, reverses, and fakes did not have the chance to function. The Jaspers just proved themselves to be better mudders. The score would probably have been much larger except for the more than brilliant play that was offered by the veteran State line. Time after time Tatum and his cohorts stopped the advances of the Jaspers.

TATUM, End

MILLER, Back

SAUVAIN, Guard

FEHLEY, Back

BOSWELL, *Manager*

In the season's finale, the big Blue Devils of Duke handed the fighting Wolves a 20 to 7 setback. The closeness of the game is not indicated by the score. For fifty minutes the Techs trailed by only a few points and it was only after Hackney's final touchdown jaunt that the Techs were completely subdued. The Wolves were neither out-fought nor out-played, they were just out-lucked. The State line repeatedly tossed the Duke backs for losses. Rooney and Berlinski were ever thorns in the Duke's side and the pass-catching Berry and the alert play of the forward wall spelled a hard-earned victory for the Blue Devils. This game was the Swan Song for the eel-like Berlinski, pass-catching Berry, Helm, Mark, Conrad, Thompson, Piloseno, Brownie, and Tatum who gave one of the greatest exhibitions of end play ever witnessed on Riddick Field.

VAUGHN, *Manager*

The 1938 State College basketball team was another addition to "Doc" Sermon's brilliant basketball teams. The Red Terror quintet was successful in winning fifteen games and losing only five. This excellent record gave them a tie with Duke for second place in the Big Five, and the honor of being seeded No. 2 in the Southern Conference Tournament.

This team was built around three veterans and two 1937 substitutes. The veterans were Captain Connie Mac Berry, center; and Bill Mann and P. G. Hill, forwards. The former substitutes were Eddie (Little Buzzer) Berlinski, Selby Jones, and the flashy Elwin Hamilton. Berlinski and Hamilton alternated at one guard position, and Jones played the other guard.

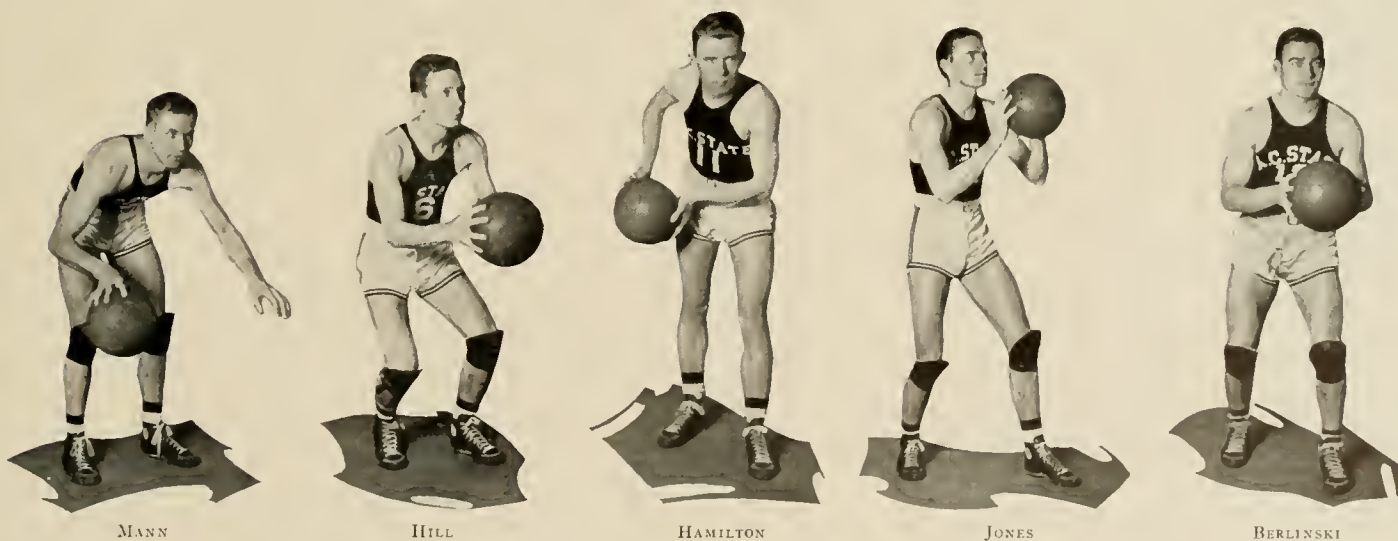

Top Row: SATTERFIELD, HAMILTON, CROMARTIE, PAYNE; *Middle Row:* CRAWFORD, YORK, STROUP, SAPP, DEWEY; *Bottom Row:* HILL, MANN, JONES, BERRY, VON OESSEN, HONEYCUTT, BERLINSKI.

Among the reserves were such performers as Adolph (Honey) Honeycutt, Roy Cromartie, and Louis Satterfield, forwards; J. A. Sapp, center; and Merton York and Raymond Payne, guards. This group, sometimes called the "Skin Club," fought hard, usually giving the first stringers first-rate competition for their respective positions.

The curtain raiser of the season was a game with Roanoke College before the Christmas holidays. The Virginia sharpshooters grabbed an early lead and continued at a fast pace, leading State 18-8 at the intermission. In the final half the Terrors, lead by the brilliant Bill Mann and Connie Mac Berry, managed to eke out a 36-34 victory.

After the holidays the Techs journeyed to Athens, Georgia to tame the Athenian Bulldogs, 24-21. The following night Georgia Tech's Yellow Jackets stung the Techs, 35-30. In these two contests, the forward center combination of Hill, Mann, and Captain Berry worked to perfection. Berry was the high individual scorer of both contests.

The following week the Red Terror quintet was successful in downing three Palmetto teams. The first was at the expense of the Wofford Terriers, 48-25. After a slow start, Skipper Berry and his mates found the range which proved fatal to the Spartanburg five. The next was a journey to Columbia to defeat South Carolina's Gamecocks, 37-27. Following this game the struggle with

Clemson's vicious Tigers, who fell in a close battle 33-31. Outstanding in this contest were Berlinski, the high individual scorer, and Connie Mac Berry, who held the great Banks McFadden to one field goal.

The Terrors began the next week with a 25-24 victory over Davidson. The score was extremely close through the entire game, the Terrors tickling the draperies in the closing seconds of the game for the victory.

The week was ended in a blaze of glory as 4,500 spectators jammed their way in Frank Thompson Gymnasium to see the State boys down the powerful Wake Forest Deacons, 45-44. This game matched the two leading scorers of the conference, Waller of Wake Forest, and Mann of State. This time Mann outshone his rival by scoring the amazing total of 23 points.

After a five day rest, the State quintet invaded Chapel Hill, taking a 39-31 shellacking at the hands of the North Carolina White Phantoms. Mac Berry was forced out of the contest at the end of the third period due to four personal fouls. At this time the Terrors were only one point behind, but with their sparkplug missing, the result was defeat. P. G. Hill shared the spotlight with Berry as he pivoted and dribbled around Captain Earl Ruth, North Carolina guard for nine well-earned points.

The Duke Blue Devils journeyed to Raleigh the following week and upset the favored Techs 43-29 in a one-sided contest. The State guards were unable to stay with Duke's Swindell. State's strongest bid came in the closing minutes of the first half when they came within five points of the sharpshooting Blue Devils. This margin became wider as the contest continued, and midway in the fourth quarter the Dukes were far in front of the bewildered Red Terrors. Captain Berry and Bill Mann led the beaten Terrors in individual scoring. Swindell of Duke was the leading scorer of the contest with a total of 16 points.

South Carolina's Gamecocks, beginning a tour of North Carolina, found the State boys seeking revenge. S. C. fell before the sharpshooting Techs by the score of 41-22. Mann, Hill, and Berry provided the fireworks in the riot of the South Carolina quintet. Eddie Berlinski and Selby Jones played excellent basketball due to their superb guarding of the flashy Gamecock forwards.

The next night The Citadel faced the powerful Terror team, falling by the wayside 43-29. The State team secured an early lead and lead throughout the entire contest. The cadets were unable to stop the perfect set shots of the Terrors.

Clemson was the State's next foe. The Tigers, seeking revenge, found the going quite a bit tougher than they expected. The State boys grabbed an early lead and continued to increase it, winning 55-35. Berry was the shining light in the State defense, holding the great McFadden to two fouls. He also accounted for ten points himself.

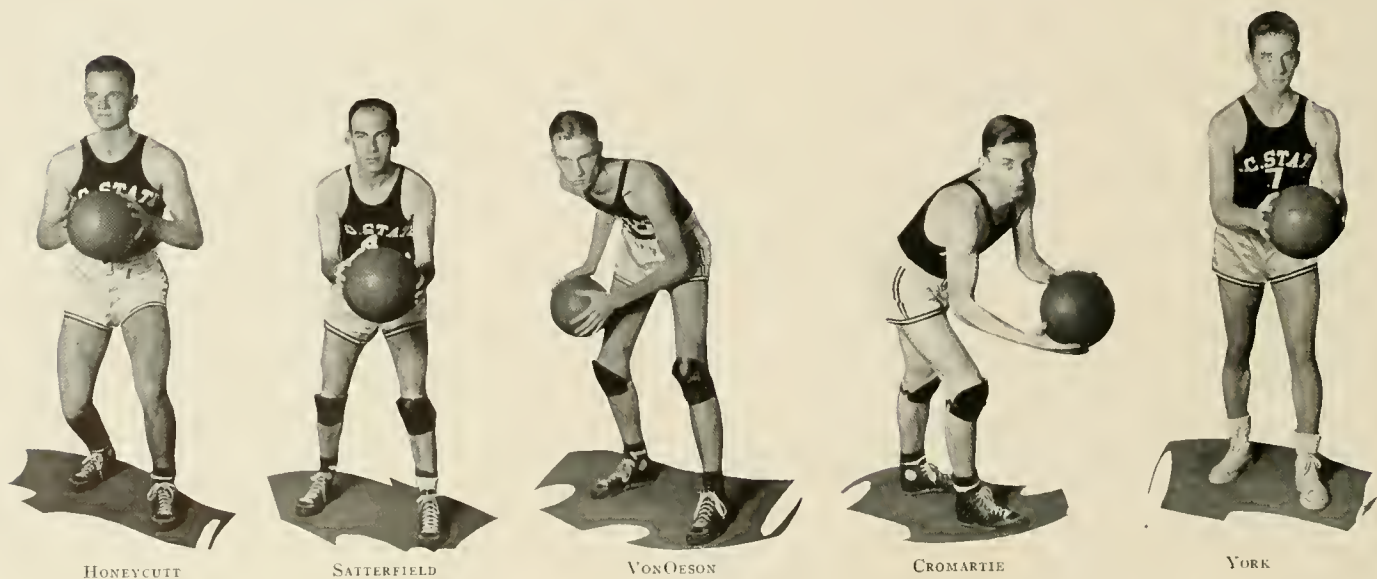

Wake Forest was the scene of the next battle. The visiting Terrors defeated their Big Five rivals, after a gruelling struggle, 45-41. The Terrors got off to a slow start, but shortly they were even with their rivals. Hamilton provided the spark for the State attack, playing the game as a perfect basketball player. Berry lead the Terrors in individual scoring and, with the aid of his team mates, put on a remarkable show.

Davidson journeyed to Raleigh for the Tech's next struggle. Lead by Bill Mann, the State boys outclassed their Big Five rivals 46-34. Davidson took an early lead, but the Techs overcame them to establish a wide margin at the intermission. The victory was clinched in the final half.

The following week-end the Terrors visited the Duke campus to seek revenge for the early season beating which they received. The Dukes attained an early lead and held it until late in the game. In the closing minutes of the fourth quarter, the Terrors outlasted the Blue Devils to emerge victorious, 49-45. Bill Mann lead the Terrors with a total of 23 points.

The last scheduled game of the season was a return engagement with the North Carolina Phantoms. The game was played before the largest crowd ever to attend an exhibition held in the gymnasium. The Phantoms snatched an early lead and lead throughout. The Terrors fought gamely, but they were unable to keep up with the fast pace set by the flashy Phantoms.

The season ended with State losing a disappointing contest to Duke in the conference tournament.

BASEBALL

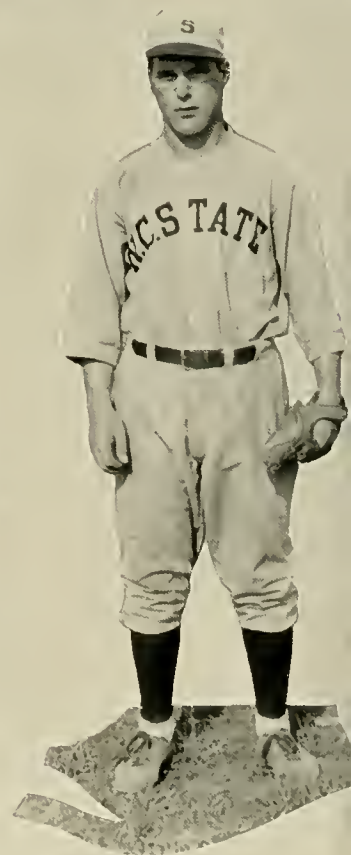

NORWOOD, Captain

The 1937 North Carolina State Baseball Team managed to have a fairly good season, although they were faced with the loss of many stars due to eligibility rules. Coach "Chick" Doak began the season with four 1936 regulars, two reserves, and one sophomore sensation. He also was forced to use a group of inexperienced pitchers. The regulars returning were, Rabb, shortstop; Gadd, outfielder; Norwood, outfielder; and Dalrymple, third baseman. The four reserves were; Berlinski and Richardson, catchers; Mann, first baseman, and Griffin, outfielder and pitcher. The sophomore star was Sandfoss, clever second baseman. The pitching problem was one of Mr. Charley's hardest to solve. Among the pitching candidates were Green, Steele, Berry, Schwerdt, and Griffin. None of these candidates had even received pitching instruction, so Coach Doak had quite a time on his hands. After a few weeks of practice, steady improvement was made, Connie Mac Berry, and Green showing the best pitching form.

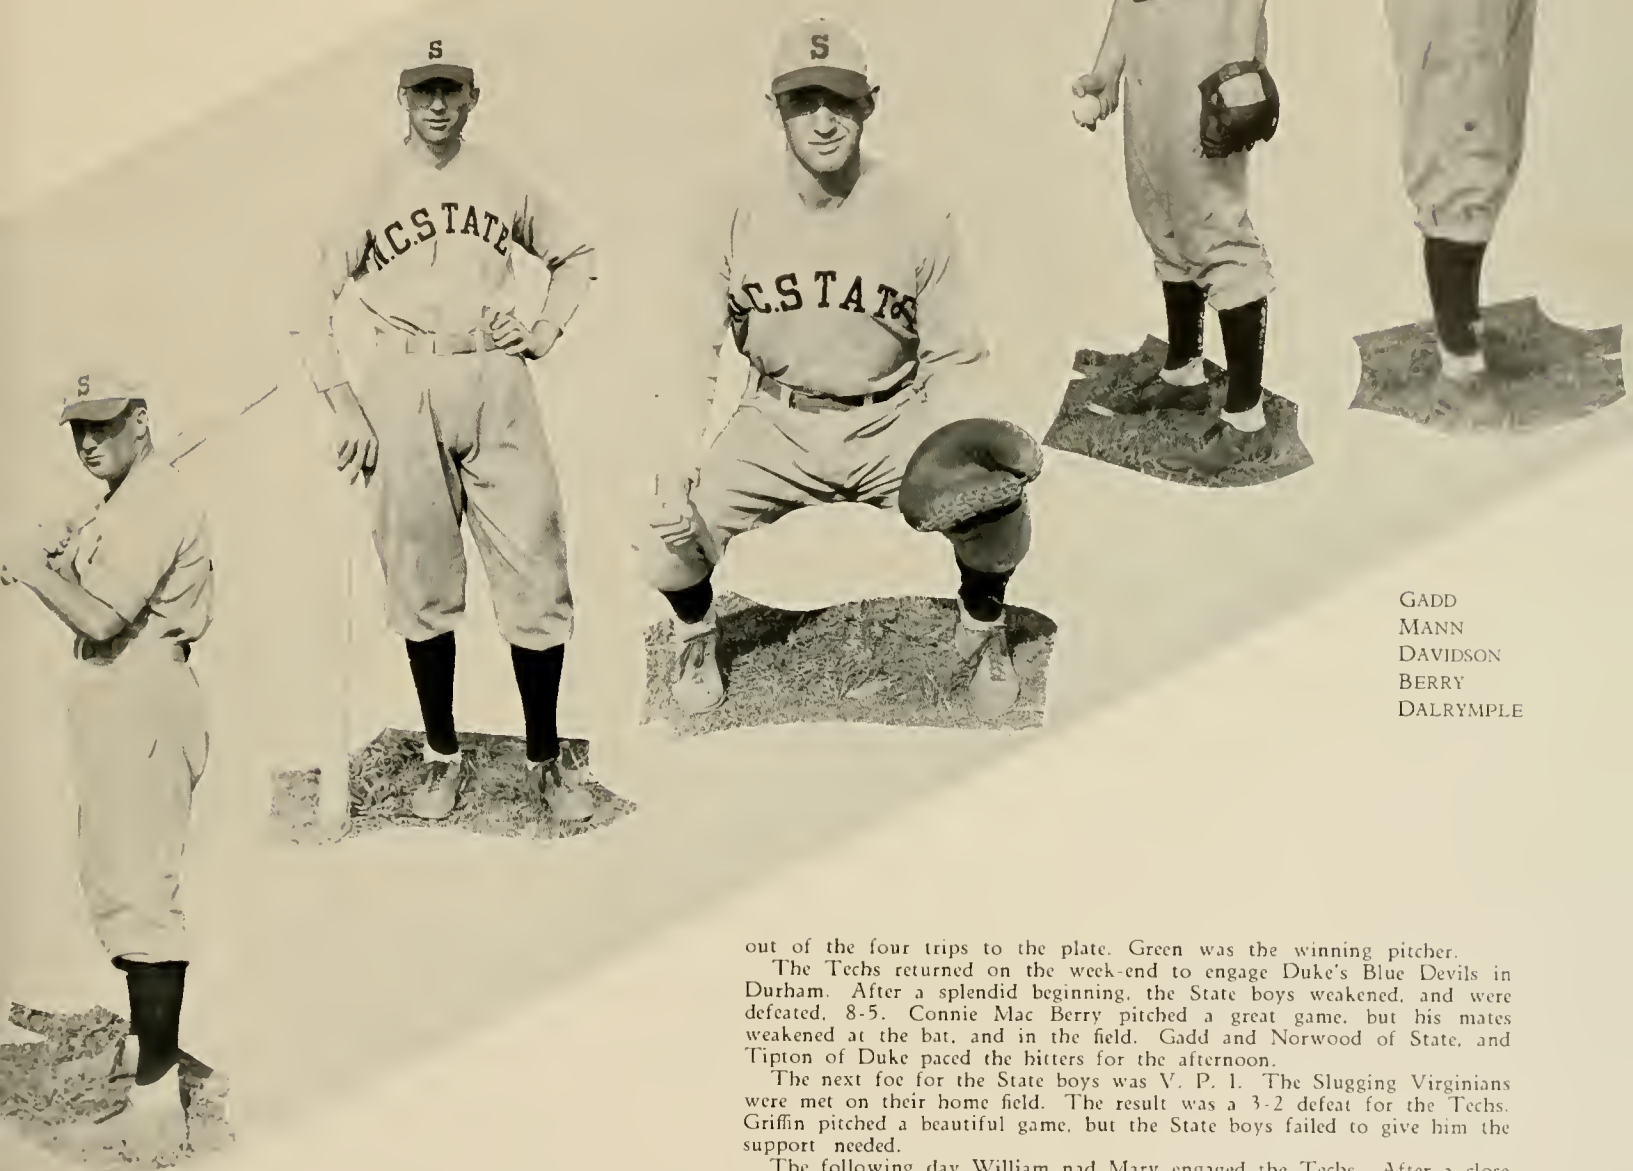

The first contest of the season was the annual Easter Monday game with the Big Five rival, Wake Forest. This game was witnessed by a huge crowd who saw the Doakmen lose in the twelfth inning—19-17. The entire personnel of both pitching staffs saw action in this slugging struggle. Sandfoss lead the State team in batting with six hits out of seven times to the plate. Norwood also contributed some excellent slugging.

NORWOOD
HINES
SANDFOSS

The second game of the season was a victory over W. and L. by the score of 10-3. Bill Griffin was the winning pitcher in this contest. Sandfoss, Mann and Norwood led the slug parade. The Techs' next move was a trip to Davidson for a two-game series with the Wildcats. The first day Connie Mac Berry let the snarling cats down with six hits as the Techs won 10-5. The following day Green stopped the Cats by an 11-2 count. Mann offered the fireworks in these two games with his long hits to right field. On the week-end the Techs journeyed to Wake Forest to lose another heartbreaker to the Deacons, 7-6. The game was nip and tuck all the way, Wake Forest having a little advantage in hitting. Dalrymple, Rabb, and Mann led the Techs in the gruelling struggle. Duke was the next team to tangle with "Chick" Doak's fast nine. The Dukes started on a scoring spree in the first inning which spelled defeat for the Techs, 12-13. Norwood was the only State man to hit consistently. The State boys invaded Virginia a few days later to down V. M. I. cadets, 7-3. The Doakmen took the lead in the first inning, and led all the way. Neil Dalrymple led the hitters with three hits

GADD
MANN
DAVIDSON
BERRY
DALRYMPLE

out of the four trips to the plate. Green was the winning pitcher.

The Techs returned on the week-end to engage Duke's Blue Devils in Durham. After a splendid beginning, the State boys weakened, and were defeated, 8-5. Connie Mac Berry pitched a great game, but his mates weakened at the bat, and in the field. Gadd and Norwood of State, and Tipton of Duke paced the hitters for the afternoon.

The next foe for the State boys was V. P. I. The Slugging Virginians were met on their home field. The result was a 3-2 defeat for the Techs. Griffin pitched a beautiful game, but the State boys failed to give him the support needed.

The following day William and Mary engaged the Techs. After a close contest, the State Boys again broke in the win column, 6-5. Norwood and Dalrymple led the State cause in the victory march.

Back Row: LOVELACE, BRUINOOGUE, HOYLE, GILL, HOOVER, GREEN, THORNE; *Third Row:* STEEL, CUTCHINS, RABB, MANN, DAVIDSON, BEAM, HENDREN, MILLER; *Second Row:* BARB, NORWOOD, DALRYMPLE, GADD, HINES, SANDFOSS, GRIFFIN, DOAK; *Front Row:* BERRY, BERLINSKI, HART.

North Carolina was met a few days later in Chapel Hill. Connie Mac Berry pitched brilliant ball, giving up only three scattered hits. Berry also led the hitting, collecting two safe blows out of four trips to the plate.

The week-end after the thrilling victory over Carolina, the State team was dealt a deadly blow. Dalrymple, Gadd, Norwood, and Sandfoss were declared ineligible for playing ball with another club. This wrecked State's chances of winning the remaining games with their four Big Five rivals. Coach Doak, cool and collected, attempted to fill in the positions vacated by the four regulars. He placed Miller at third base, Wicker at left field, Barb at second base, and Beam in center field. These boys, though not as experienced as the regulars, gave a good account of themselves.

The Techs next engagement was with V. P. I. The game was close from start to finish; the result ending in favor of the Virginians, 4-3. The hitting

of Wicker and Barb was the feature of the afternoon.

The following day a return visit to Washington and Lee gave the Techs a 12-10 victory over the Generals. Both teams hit frequently, but the Techs took advantage of the breaks to win.

The month of May proved to be disastrous to the new Tech combination. The State boys failed to win a game in six starts. Davidson and Carolina were victorious over the Tech nine the first week in May. Davidson eked out a 6-5 victory and Carolina smothered the Raleigh boys, 12-5.

Duke was met twice the next week. In the first contest the Blue Devils defeated the Techs, 11-2. The final contest was a 3-0 shut-out.

The final week of competition, Wake Forest defeated the Techs twice. The first game was a near riot as the Deacons downed the Techs, 10-5. In the final game the State boys gained an early lead, only to be overcome in the eighth inning. The final score was a 6-2 victory for Wake Forest.

MINOR SPORTS

SORRELL, Captain

BOXING

The North Carolina State boxing team under the direction of Alec "Bull" Regdon, former State football and boxing star, showed much improvement as the season progressed. The season's record of one win, one tie, and four defeats by no means shows the ability of Coach Regdon's inexperienced ring team.

Coach Regdon began the season with two 1937 veterans, the remainder of the team being of unknown calibre. The veterans returning, were Captain Russ Sorrell, 145 lbs., and De Boy, 115 lbs. The newcomers were Young, Brown, Arnott, Traylor, Smart, and Yost. Young and Brown, under the guiding hand of Coach Regdon, became excellent pugilists. Yost, Smart, Arnott, and Traylor also made marked improvement.

The first match of the season resulted in a 6-2 loss to Appalachian. Captain Russ Sorrell pounded his way to a one-sided decision over his slugging opponent. Arnott also won his match on a decision.

A week later the Tech ringmen traveled to Columbia, S. C., to engage the University of South Carolina's excellent boxing team. The final result was $7\frac{1}{2}$ - $1\frac{1}{2}$ loss. The only successful match for the Techs was a draw which Captain Sorrell was credited with Legore, the South Carolina co-captain.

After a short rest the State boys again journeyed to South Carolina, this time to engage the Clemson Tigers. The result was another $7\frac{1}{2}$ - $1\frac{1}{2}$ defeat. The most thrilling occurrence of the night was the firm

stand made by Yost against the Clemson heavyweight. Ed Young also fought a brilliant fight.

State's next foe was the University of North Carolina. Brown and Yost were outstanding, although they only fought to a draw. Young fought Captain Murnick in the 125-pound class. The fight was close all the way, but the decision was given to Murnick.

The next week the Tech team, having lost three games, gained their initial victory at the hands of Duke, $4\frac{1}{2}-3\frac{1}{2}$. Captain Russ Sorrell fought his greatest fight of the season, giving the great Danny Farrar quite a scare. In the 155-pound division, Don Traylor slugged his way to a decision over his Blue Devil foe.

The fifth and final match of the season was a 4-4 draw with Virginia Tech. Each team won two bouts.

drew two, and gained one point as a result. Charlie Smart furnished the surprise of the season, as he defeated the Virginia Tech Captain, Frank Oliver. Smart, previously the black sheep of the State Team, came through in fine fashion to completely outclass his foe. Don Traylor was also impressive that night, easily winning the decision.

A few days later the conference tournament began at the University of Maryland. The entire State team, with the exception of Smart and Yost, entered the tournament. Captain Russ Sorrell was the only State man to survive after the first round. He defeated the Maryland Captain to enter the final round. Sorrell's opponent in the final round was the famous Danny Farrar. In this return engagement of the two, Farrar won on a decision.

SHIMER, *Captain*

WRESTLING

This was Coach Herman Hickman's first year as North Carolina State's wrestling coach. He proved his worth by winning the Big Five title.

At the beginning of the season, Hickman had only two veterans. These were Captain Clarence "Red" Shimer, former 145 pounder, who fought in the 155-pound class. Cheslock was the other veteran, fighting in the 125-pound class.

Newcomers were Hunter, in the 118-pound class; Truslow, in the 135-pound class; R. L. Davis, in the 145-pound class; Ed Leggett, in the 165-pound class; Ted Johnson, in the 175-pound class; and Fry, in the unlimited class. With the able tutoring of Coach Hickman, these newcomers became outstanding wrestlers. "Tido" Johnson garnered the most points for the season, his total being 28 points. Next in line were Hunter and Shimer with 26 points each. The remainder of the squad was quite dependable, all of them proving their ability at all times.

The first match of the season was with W. and L.'s powerful Generals. The Techs were able to win only two matches, those being won by Hunter and Captain Shimer. Shimer pinned the W. and L. captain, and Hunter won his decision by a time advantage.

The following week the N. C. State grapplers matched their strength and cleverness against that of Virginia Tech. Captain Shimer, Johnson, and Davis led in the 19-9 victory over the V. P. I. grapplers.

Maryville College was State's next opponent. When the smoke had cleared away, the State boys were on the long end of a $23\frac{1}{2}$ - $4\frac{1}{2}$ score. The outstanding match of this meet was an extra period draw—Leggett featuring for State. "Red" Shimer defeated his man in another close battle.

The next night Coach Hickman led his chargers against the Tennessee Vols. The State boys won seven out of eight matches, triumphing 35-3. Two of these matches were won by default and the others gained by falls. One of the most exciting bouts was George Fry's loss to Hayes, Vol football captain, in the unlimited division.

The next State foe was Duke's Blue Devil grapplers. The Techs easily triumphed over their bewildered

opponents. Shimer, Johnson, and Hunter proved themselves to be State's classiest wrestlers.

Davidson journeyed to Raleigh the following week to engage the pace-setting Techs, who had previously defeated five other opponents. At the midway mark in the program, the wildcat matmen held a 9-5 lead. Victories by Captain Clarence "Red" Shimer, Ed Leggett, and Ted "Tido" Johnson in the last three events brought State College from behind in the scoring and produced a 16-14 victory over Davidson. The meet came out very much closer than expected, because State forfeited the unlimited class due to the injury of Fry.

The final match of the year was an engagement with the North Carolina matmen. The result was a victory for State. This assured the State boys of the Big Five title, previously held by the Davidson team.

State	9	Carolina	9
State	9½	Carolina	8½
State	5	Citadel	13
State	6	Duke	12
State	3	Duke	15

State College is proud of its Golf season, showing a record of five wins and three defeats with one tie.

The Techs had a rough schedule, playing matches with all the Big Five teams with the exception of Davidson and also played several games with teams outside the state. The State-men handed Carolina the only defeat that the Chapel Hill players suffered during the season. Duke won out over State at Durham and also won a return match at the Carolina Country Club in Raleigh. If however, we make a comparative study of scores, basing our analysis on Carolina's win over Duke, it appears that State should stand at the top of the list. The Techs beat Carolina and Carolina defeated Duke which therefore gives State a theoretical win over Duke, who were winners of the Big Five Title.

Next year State will have back three varsity men around which to build a strong team for the 1938 season. Two men, Captain Scales and Marion Palmer will be lost by graduation and their places will be difficult to fill. Another loss which will be deeply felt, not only by the golf team but by State College as a whole, is the departure of Major Venable. The success of the golf team this past season can be traced directly to the Major's keen interest in the boys and his ability in knocking the old pill around. His will be a position not easy to fill and his shoes may go empty for some time to come.

HENRY NADING
Captain

State College tennis team completed a fairly respectable season with the Southern Conference Tournament. The combination of Dulin and Murray won in the first round but lost their second match. Dulin led the team throughout the entire season in the number of matches won: of the thirteen in which he played, he came out on top in ten of them. He was ranked in the Southern Conference Tournament as number five. Murray, number two man, followed closely on Dulin in the number of matches won, he managing to win nine out of fifteen.

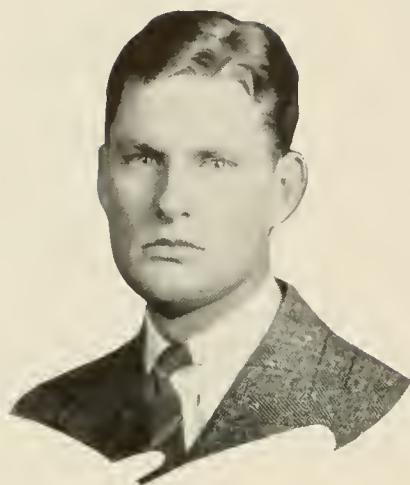

The 1937 season was the best that a State team has ever had. After getting off to a bad start because of the absence of two of the key men, Dulin and Smith, the team finally hit its stride and won seven out of the last nine matches played.

Coach R. W. Green did a mighty fine job of coaching, considering the inexperienced material with which he started the season.

C. J. Dulin has been elected Captain of the 1938 team.

Coach Romeo Lefort's well-trained swimmers again captured the Big Five title. His constant work with the boys in the many events produced outstanding results. At the beginning of the season Jimmy Grantham, crack diver, was declared ineligible. This was quite a blow to the State mentor, forcing him to look elsewhere for a good diver.

Among the many stars on the swimming team were such outstanding performers as Ross Reynolds, breaker of two conference dash records, Payne, Bailey, Fry, Rowland, and Rooney.

In the opening meet of the season the Techs engaged the William and Mary team. The 220-yard free style was the most exciting race of the meet, with Reynolds of State and Payne of State fighting it out with Pustil of William and Mary. The race was close all the way, with Reynolds,

State's ace, the winner. Rooney, Reynolds, and Payne were outstanding for the Techs. However, the outcome of the meet favored William and Mary, 41-35.

The Techs' next meet was with Virginia, the outcome favoring the Virginians, 40-34. The final event determined the winner. The star of the meet was Reynolds, the free-style artist.

Virginia Tech was the next foe for State. This time the State boys came through handily to win 51-40. Reynolds, Payne, and Rooney were the State stars.

After the Virginia Tech victory, the State boys turned on the heat to splash out an impressive 51-24 victory over the Duke tank squad. Ross Reynolds set a new conference record in the 220-yard free style. His time for the dash was 2:25.4.

The next meet was with the V. M. I. tankmen. The outcome was another victory for State. Reynolds and Payne lead in the assault.

The final scheduled meet of the year was with the weak Randolph-Macon tank squad. The State tankmen emerged victorious, 53-22. Ross Reynolds clipped four-tenths of a second from his pool record. Payne and Rooney were also outstanding in the victory.

After this final meet, the Techs' entered the conference meet. They emerged second to the W. and L. Generals.

Intramural Sports

REMEY, *Best Fraternity Athlete*

The 1936-37 Intramural season was the most successful since the initial season in 1924-25. Teams practice regularly for their scheduled matches. Forfeited games are a rare occurrence and the sportsmanship, considering the intense rivalry of the teams, is exceptional. Many lasting friendships are the result of the wholesome, clean sport.

Each year approximately 2,000 students take part in the Intramural Leagues. Two leagues have been conducted this year in twelve sports. Fifteen Fraternity Clubs and fourteen Dormitory Clubs have competed in Touch Football, Basketball, Soft Baseball, Volleyball, Swimming, Boxing, Tennis, Horseshoes, Handball, Wrestling, and Soccer. Championships are decided in each sport and a yearly record kept to determine the Grand Champion in each league. Trophies are given to the first two teams in each league by the Athletic Department and a third trophy is given to the Fraternity league by the Inter-Fraternity Council.

FRATERNITY

	'37	'38
Sigma Nu	1089	1028
Pi Kappa Alpha	1974	1003

Phi Kappa Tau	501	411
Theta Kappa Nu	561	180
Sigma Pi	570	160
Alpha Lambda Tau	605	110

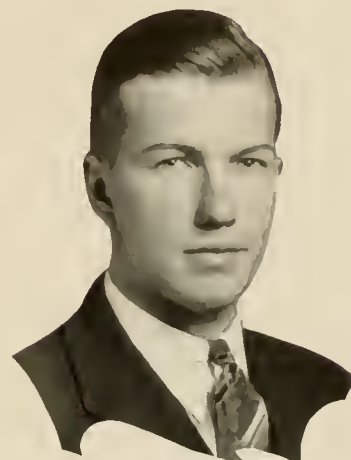

Intramural Sports

Last year the Pi Kappa Alpha's won the baseball championship and clinched the first place in the Fraternity League. Second and third places were taken by the Sigma Nu's and the Sigma Pi Epsilon's. This year the Sigma Nu's are in first place, the Pi Kappa Alpha's in second, and the Alpha Kappa Pi's in third.

Second floor Watauga took the honors in the Dormitory League in 1936-37 with the first floor just under them, and the third floor Seventh came in third. So far this year the standing in the Dormitory League is first and second floor Seventh, first Watauga and third floor Seventh.

In each of the two Leagues the outstanding athlete is selected and awarded a handsome trophy. The winners in 1936-37 were the Pika's star, Remmey, and Watauga's flash, Richardson. Stars in each sport are rewarded by placements on all campus teams.

FRESHMAN FOOTBALL

Under the guiding arm of "Nig" Waller, the Freshman football team made slow but steady improvement. Coach Waller, serving his first year as Freshman football coach, was faced with the problem of insufficient material. On the first day of practice there were eighty candidates out for the team, but within three weeks the squad had dwindled to a little more than two teams. This was quite an unusual occurrence, for previously State usually had the outstanding Freshman material of the Big Five. Nevertheless, Coach Waller did everything possible to raise his squad to the standard of previous State Freshman teams.

The standouts on the Freshman squad were Cathey, elusive back; Avery, brilliant end; Carter, light but brilliant center; White and Jones, capable guards.

In the first contest of the season, the Wolflets faced the boys from Belmont Abbey. The boys from the Abbey scored the first touchdown and lead 6 - 0. However, the Wolflets came right back to even the count at 6-6. They forged ahead by converting for the extra point. As the game continued, the Abbey's passing attack functioned to perfection, giving them a 24-7 decision.

The next eleven to face the State Freshmen was the North Carolina Freshmen. On this occasion the Wolflets were completely out-classed by their heavier and more experienced foes. Starting with a bang, the North Carolina boys scored in the first five minutes of play, and continued to increase their margin as the game progressed. The final score of the contest favored North Carolina, 45-6. The Wolflets' only touchdown came in the final period when Avery scooped up a blocked punt and ran over for a touchdown. In this struggle Smith and Fry lead the State backfield, and White, Jones, and Carter paced the forward wall.

Three weeks later the Wolflets entertained the Duke Blue Imps in Riddick Stadium. The huge band of Blue Imps expected to have an easy time with the State boys, but they soon realized that they were very much mistaken. The Duke boys scored in the first minute of play as they caught the Wolflets asleep on an end around. This was their only touchdown during the first half, the score being 9-0 at the intermission due to a faulty fumble in the end zone, which resulted in a safety. The final half was very exciting, the Dukes being repulsed time after time in the shadow of the goal posts. However, they managed to execute two touchdown plays, giving them a 22-0 decision over the fighting Wolflets. Carter, White, and Smith were the shining lights in the State attack.

The fourth and final contest for the Wolflets was a struggle with the Wake Forest frosh. The Wake Forest team had previously beaten all of her opponents but Duke; therefore, they were the favorites over the scrapping Wolflets. As expected, the State boys were unable to compete with their heavier opponents, the result being a 41-0 defeat. This ended ended a rather dismal season.

FRESHMAN BASKETBALL

The 1938 Techlet basketball team, under the guidance of Coach Bob Warren, made marked improvement during the entire season. Due to lack of height, Coach Warren's boys were forced to depend on speed and deception. The Techlets were at more of a disadvantage than any other team in the Big Five, because they had to be taught "Doc" Sermon's peculiar variations of the Meanwell System. These facts proved to be quite disastrous, for the State freshmen ranked fourth in the Big Five standing.

In every contest the State boys proved their ability with clever ball handling and superb guarding. Most of the defeats suffered by the Techlets were due to poor shooting. However, on many occasions they turned out to be perfect shots.

The Techlet squad was composed of a group who represented State College very well. Richardson, Howell, and Suggs were the forwards; Smith and Waters, the centers; and East, Auman, and Furr, the guards.

The Techlets were victorious over Wingate Junior College, G. M. A., Davidson, Louisburg J. C., and Mars Hill J. C. They emerged on the losing end of the score with such teams as Duke, Carolina, and Wake Forest. Each of these tripped the Techlets twice.

The first freshmen engagement for the Techlets was a contest with Duke's Blue Imps, played in the Duke Gymnasium. The Techlets grabbed an early lead, but within five minutes the Imps had overcome the lead. They continued to pull further away from the Techlets, the final score being 62 - 29. The Techlet forwards were unable to guard Duke's star guard, Valasek. Richardson and Smith lead the State attack, the former accounting for 9 points.

The next contest was played with the North Carolina freshmen. This was a very disappointing game for the Techlets, due to the lack of coördination. The North Carolina boys were victorious, 52 - 23. Dick East and Smith lead the State offense.

The following week a heartbreaking defeat was suffered at the hands of Wake Forest. The Techlets secured an early lead and held a ten point advantage at the intermission. In the final half the Deacon frosh forged ahead to win the ball game. Auman and Richardson paced the State frosh in the defeat.

The Duke and North Carolina frosh engaged the Techlets the following week, both being victorious. The State boys fought courageously but were out-classed.

The Techlets journeyed to Wake Forest the next week-end to battle the Deacon frosh again. On this occasion the Techlets were beaten decisively, 41 - 29. Dick East furnished the fireworks for the State frosh by shooting 9 points.

Davidson's Wildkittens faced the Techlets in the final game, bowing by a 33-32 score. The contest was close throughout, State leading by a one point margin at the half. In the final moments of the fourth quarter, the lead seesawed back and forth, the Techlets finally emerging victorious on a long field goal by Howell.

FRESHMAN BASEBALL

The State freshman baseball team ended a most successful freshmen sports campaign. Coach Bob Warren's diamond squad captured the Big Five title.

The Techlets were victorious in nine out of ten starts. Victories were registered over Duke, Wake Forest, Carolina, Mars Hill J. C., Campbell J. C., and Burlington High School. The only setback was a 9-8 defeat at the hands of Greensboro High School.

The State frosh presented the finest battery in the Big Five. This battery was composed of Vic Holsehouser, pitcher, and Larry "Little Doc" Smith, catcher. Other stellar performers were Fowles and Gardner, outfielders; Kearns, Freeman, Ireland, and Harris, infielders; and Brownie, pitcher.

The opening game of the season was a 14-2 victory over Campbell J. C. Coach Warren tested the ability of his entire squad in this contest. Fowles and Kearns led the Techlet batters, collecting two hits each in four trips to the plate.

Duke's Blue Imps were the next victims of the powerful State frosh. They fell before the superb pitching of Vic Holsehouser. Larry Smith led the Techlet offense, gathering two safe blows out of three attempts. Tommy Kearns, and Fred Gardner provided the thrills of the day with their spectacular fielding.

After an easy week the Techlets journeyed to Durham to tangle with the Duke team in a return game. Holsehouser started on the mound for State, but was relieved after the first inning. He was receiving no support from his team mates, therefore, decided to save him. The Dukes took a big lead at the start only to have it gradually dwindle away. The Techlets forged ahead in the last inning to win, 16-14.

The following week the Carolina freshmen were met and defeated, 7-4. Holsehouser was in rare form, and his mates supported him very good. Kearns and Fowles garnered two and three hits, respectively, to lead the State sluggers.

The Wake Forest frosh were played on their home diamond in the first of a two game series. Both teams were undefeated, and gunning for the Big Five title. The Techlets grabbed an early lead and led thru the entire contest. The final score was 8-7. Vic Holsehouser pitched his usual brand of ball by keeping the hits well scattered. The score does not indicate the excellent game he pitched. Larry Smith and Charley Fowles filled their roles in outstanding fashion. Gardner and Kearns were also outstanding in the victory.

The second game of the series was play a week later on the State diamond. This contest was the most exciting played by either team during the season. The Techlets managed to eke out a 2-1 victory in the last inning. Vic Holsehouser pitched a brilliant game, and his mates aided him with perfect support.

This victory gave Bob Warren's Techlets a tie for first place in the Big Five with Wake Forest. The following week the Duke Blue Imps battled the Deacon frosh. The Dukes defeated the favored Wake Forest nine, giving State the Big Five title. This ended one of State College's most successful freshman campaigns.

BOOK FIVE

Fraternities

QUAINT and picturesque, this relic of by-gone days views the changes of the years with stoic mien. Neither impressive nor grand, it compensates for smallness of size by perfection of detail. The architectural beauty of former days is charmingly revived in this replica of colonial art.

Features

MAGNIFICENT and grand, Ricks Hall forcefully typifies the grim strength and radiant energy of the Agriculture Administration. Still—its plain lines symbolize, now as ever, dignified simplicity coupled with unaffected hospitality.

SNAPSHOTS

MEN OF THE YEAR

DAVID L. RAMSEY Vice-President of the Student Government Blue Key, Golden Chain, Scabbard and Blade, Phi Psi, Sigma Tau Sigma, Order of 30 and 3 . . . a Charlotte product.

RODNEY B. GRAHAM Business Manager of the *AGROMECK* . . . too many honorary societies to list . . . his work has been highly satisfactory.

N. B. WATTS Vice-President of the Y. M. C. A., Golden Chain, Scabbard and Blade, Blue Key . . . he helps Red Shimer run the Forestry School.

EDDIE BERLINSKI—His sunny disposition on the gridiron, hardwood court, diamond, and campus has made him one of State's most popular athletes.

GARLAND "PETE" BRONSON Is a member of so many honorary organizations that he can not remember them all himself . . . a Durham lad whose quiet and efficient manner is well liked.

DAVID GILBERT—Outstanding in the School of Science and Business . . . The most forceful and efficient President the Seniors have ever had.

SAM MOSS—The courteous, hard-working President of the Y. M. C. A. . . . he is known far and wide for his speeches and for his outstanding work in the "Y."

ROBERT BLACKWOOD—Former Sports Editor of the *Technician*—smiling, well-dressed Bob is now the President of the powerful Engineers' Council.

SAM WILLIAMS—Rated one of the three best Ag students on the Ag Hill . . . Sam is the head-man of the Ag Fair and also holds the distinction of being the Best-Looking Senior.

CHURCHILL BRAGAW—Another of the three best Ag Students . . . Blue Key, Golden Chain, and has worked on both the *Agriculturist* and the *Pinctum*.

JOE POW—The third of the three best Ag Students . . . the genial Editor of the *Agriculturist* who has made that magazine one of the best of its kind in the entire country.

J. C. FRINK—The most popular President of the Student Government in the past few years . . . a brilliant speech-maker who is known by his ever-ready smile.

T. C. RAGSDALE—Blond, well-dressed President of the Interfraternity Council . . . member of many honorary organizations . . . hails from Jamestown and is a Kappa Sigma.

CHARLES DUNNAGAN—Business Manager of the *Technician* . . . recognized as one of the campus's best advertising salesmen . . . head Cheer Leader . . . great politician.

CLAUDE CLARK—President of Golden Chain . . . Scabbard and Blade, Order of 30 and 3, and one of the leaders in the Textile School . . . Claude is a product of Danville and is a Kappa Sigma.

JIM CATLIN—Smiling, talkative Editor of the *AGROMECK* . . . Golden Chain, Scabbard and Blade, Order of 30 and 3, Publications Board . . . a Kappa Sigma and a native Virginian.

CLARENCE SHIMER—Red is President of the Monogram Club and is the Captain of the Wrestling team . . . one of the outstanding wrestlers in the Southern Conference . . . hails from Wilmington.

JAMES GRANTHAM—The pride of Rocky Mount . . . Southern Conference Diving Champion for two years . . . one of the head-men in the R. O. T. C.

RICHARD MCPHAIL—Open-minded Editor of the *Technician* . . . took over the reins his Junior year and turned out one of the best weekly papers in the history of State College.

RUSSELL BURCHAM—President of the Junior Class . . . Blue Key and many other honor societies . . . is a protégé of Charlie Dunnagan and therefore a smooth politician.

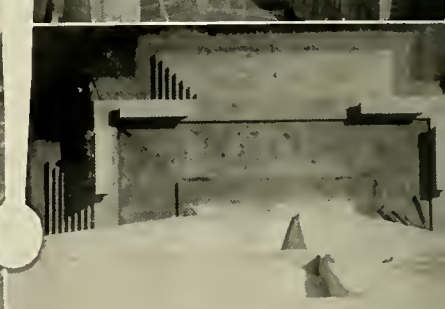

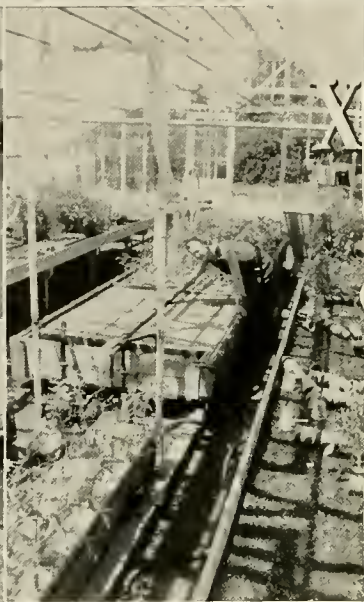

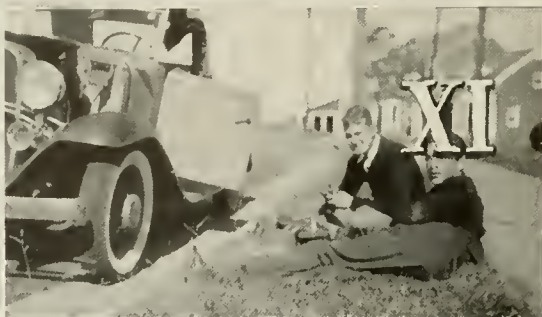

Around the Clock at N. C. State

Just a few of the "studes" polishing up on their leg-pulling
'Tis mighty cold at eight o'clock This is not the morning after but just an optical illusion Pity the poor Freshman that has to cut wood in the early morn The mighty Ron is in the gutter perchance to sleep President Fink ambles calmly to his early classes We repeat, 'tis awful cold at eight o'clock . . . What a shame to leave a warm bed to hustle to an early class in the middle of the night Fink's kid brother arises to attend classes Our chum got up too early and has not dressed . . . Maybe some of the fellows prefer to cut their "eights" . . . A friendly bunch of the Lambda Chis

Lane of the Wataugan is seen ducking around in the back alleys . . . 'Twas the early worm that caught this view. Sweet Sue with some lug . . . Shall we go to classes or shall we build a snow-man? . . . State's co-ed heads for the Library to get a bunch of knowledge Do not believe all that you read but this is really State College . . . This is a trick because Stony does not sell Fords . . . Even the Gym feels mighty low on the morning after . . . This is not Flag Day but just a stage of early morning dressing.

Around the Clock at N. C. State

It seems that Payne tore it down but can't put it back again
 This gentleman is raising flowers for the lovely young ladies of the nearby schools
 The Pikas save water as well as time
 The white snow covers the barns and is so symbolical of the barns
 The Fink politicians take it easy for a moment
 And a very good morning to you, chum
 The engineers work on a simple problem
 'Tis a tree in bloom and not love
 Jake is bragging 'cause this is not his gal
 Maybe these guys are learning about the bull
 The worm has crawled to the top and is now getting a bird's eye view of the situation
 President Ragsdale partakes of a cone of cream
 Professor is caught in the act of being legged
 It was a crying shame to cover up that lovely face with that ugly eight
 A few of the minor politicians polish up on their art
 This is Jake Marsh and not one of the Storm Troopers
 Mister Perry wonders what the broom is for
 Brother Brake is sitting mighty close to that barrel
 The four little bears at Camp
 Why fellows, we even got gassed at Camp
 Lane of the Wataugan is trying to make us believe that he can read.

VI

Around the Clock at N. C. State

Everybody is out of step but Cader The honorable Staff
 is seen working Perry poses for his picture The Major's
 little brownies and horn-blowers indulge in a picture-taking
 Ben's Freshmen seem not to know their rear from their
 front Last year's rising Seniors prepare to shove off
 for Camp 'Twas a mighty rainy day for the Parade
 Frink and Frink pay honor to one another Major Jones
 swaps a little bull with a few of his would-be soldiers The
 old Admiral shows the new hands a trick or two Major
 Chase shows the boys the latest trend of the Military styles
 Shed a tear for these poor fellows The boys hustle to put
 on the feed-bag Eyes right, and don't mind about being
 out of step Some day this art of gassing may come in
 handy Brother Clark grins and bears it A trio of Theta
 Kappa Nus have their beauty struck The Commandant de-
 livers the main address in a colorful ceremony A Company
 street at the Summer Camp at Fort McClellan Majors
 Althaus and Jones do the Little Apple on the sly.

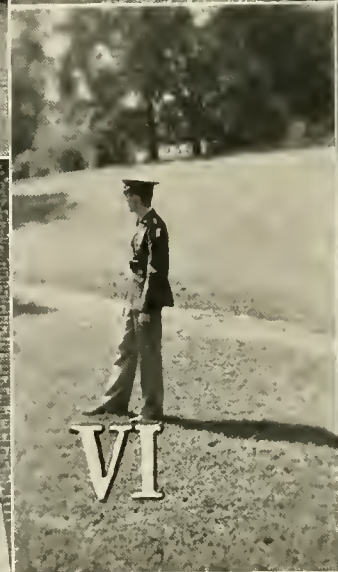

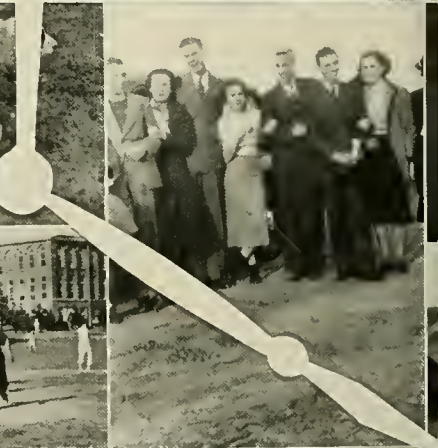

Around the Clock at N. C. State

Fourth Dormitory prepares for Homecoming Miss Hall takes a Time Out This gentleman is warming up for the old Pigskin game Friends, this is an Ad for the No Stoop, No Squat, No Squint radio Just a few of the kids go a cycling In the Spring a young man's fancy turns to fishing The football boys swap a joke or so The Frat fellows limber up with a rapid game of Softball The Lambda Chis and the old fish story Coming events cast their shadows The storm takes its toll at Camp A little brown soldier Have a cigar and vote for my man This is a Dummy and not a Freshman The mighty Tarzan takes a breather A couple of the fellows get that Florida tan on the roof Don't worry, the cannon is loaded with a blank State holds its own What big ears you have, Warren A few love birds in a like number of love nests A Pika House Party featuring that lovely Marjorie Pye.

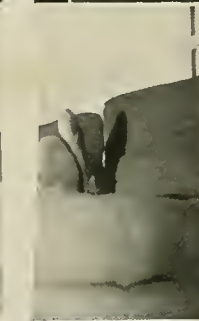

Around the Clock at N. C. State

Our own Rube makes a little time at last These gals and guys are in the gutter That same cannon and those same lugs . . . The Freshmen have first shot in this marble game . . . Those smooth Sigma Nus and their smooth ladies

The modern horse-traders swapping fibs Now gang, let's get this game started or we will turn the page . . . The S. P. E.'s push off for that old B. I. Lab . . . Time and Homecoming march on The Phaeton is being talked into running again Doc and the dog take it easy . . . The Kappa Sigs turn on the personality One of Mr. Miller's Intramural football team limber up Oh joy, how I wish that I were at the beach . . . The cool pool at Camp . . . Jack flips one in . . . Another Delta Sig tosses a couple Dean Harrelson's new Southern mansion Uncle Charley's Angels peek down from the third floor . . . The Party-boy in a meditating mood . . . Those hard working Cheer Leaders who get little praise for their labors . . . Little smiling P. G. Hill, the super-salesman.

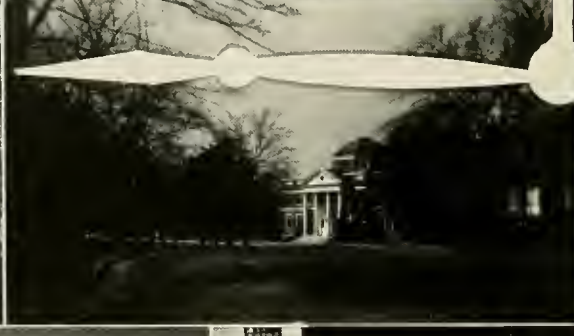

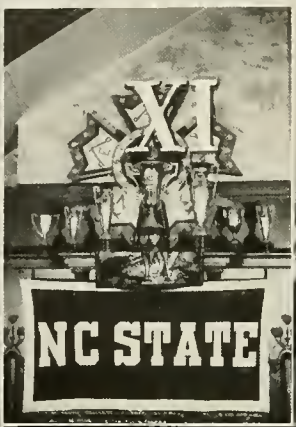

Around the Clock at N. C. State

The students welcome Doc and the team after the Boston game . . . To tell the truth, I can't think up a caption for this one . . . Thompson leads the boys from the narrow, straight pathway . . . Dean Nelson slugs one while Professor Grimshaw chuckles . . . Eddie chunks a little beef down . . . There is no place like a soft sofa . . . It's June in January . . . Oh Central, please try 130 again . . . Brake is fooling both the Professors and us . . . An average room with the average picture . . . Major Chase and Mr. Johnny try their skill . . . Take your hands off my roommate's gal's picture . . . An unusual angle with a delightful snow scene . . . The poor fellow can't say when . . . The old Mountaineer brings his own snake-bite medicine to school . . . We know this is a joke 'cause Sailer, McPhail, and Ragsdale can't read . . . The kind of party that makes life worth living for . . . Charming Marjorie Wilson holds the crowd spellbound . . . Why are women so cute and unfaithful? . . . A brief rainy spell at Camp . . . My friends, for you are my friends, these tired boys are merely sleeping.

Around the Clock at N. C. State

Lovely lady and a decidedly lucky fellow Now and then, some of the Frats win a cup or so Tall and lanky Leslie and talkative Charlotte Mary Green Thiem, ah moment supreme (some rhyme) . . . Our good friend Bud with a slightly smudgy upper lip The task of sprouting whiskers proved too much for Bud Christmas Party at the S. P. E. House Alas my friend, Finals are no more Ace helps Bob and Steve with their work A repeat on the S. P. E. Party . . . The sandman has been around again The Library bathed in the moonbeams That famous Carolina moon that makes hearts skip a beat Could they be boy-crazy, candy-crazy, or Wake Forest-crazy? . . . If you don't know Greek letters you can't read this . . . The stately Tower in the moonlight . . . A bevy of beauties sitting over a covey of fellows . . . Jeep in a typical pose . . . The Meredith angels retire while the Sig Eps keep swinging.

ADVERTISEMENTS

To the
Class of 1938
SUCCESS!

*T*HE FRIENDSHIPS—the joys—the cares of the days at State will long be remembered. In many instances the friendships formed during the four years will be life-long.

We hope that among the many pleasant memories of your State College days will be the Supply Store—which has served State students for twenty years under the same management.

Wherever you go, whatever you do, our best wishes are with you always.

L. L. IVEY, *Manager*

Students Supply Store

“On the Campus”

In homes, businesses, factories and on farms

Wherever you may turn after leaving college the many helpful Electrical Services will play an important part in your activities . . . constantly the increased use of CHEAP Electricity is changing living standards, business methods, industrial practices and farming procedure, bringing in each case a new degree of efficiency and economy!

DEPENDABILITY

1881-1938

down thru the years

Dependability is the first requisite for a permanent business establishment. Dependable policy — dependable service — dependable merchandise . . . And on this basis we solicit the continued patronage of our community, our state and the South. We promise that today, as in 1881 and on down through the years, our watchword will be **dependability**.

IN THE FUTURE— AS IN THE PAST

● For seventy-three years Scott & Williams has been engineering improvements in knitting machines, the value of which, can be measured in the higher standards of work done by the mills who use them. Each year adds to our experience . . . gives us a surer touch in the creation of better machines. Logical indeed is the confidence the knitting industry places in SCOTT & WILLIAMS and its ability to meet the demands of the future—with further improvements wherever improvement is possible.

PROMPT SERVICE

Experience

LYNCHBURG ENGRAVED ANNUALS ARE
BUILT UPON YEARS OF EXPERIENCE
AS SPECIALISTS IN THE FIELD OF
SCHOOL PUBLICATIONS

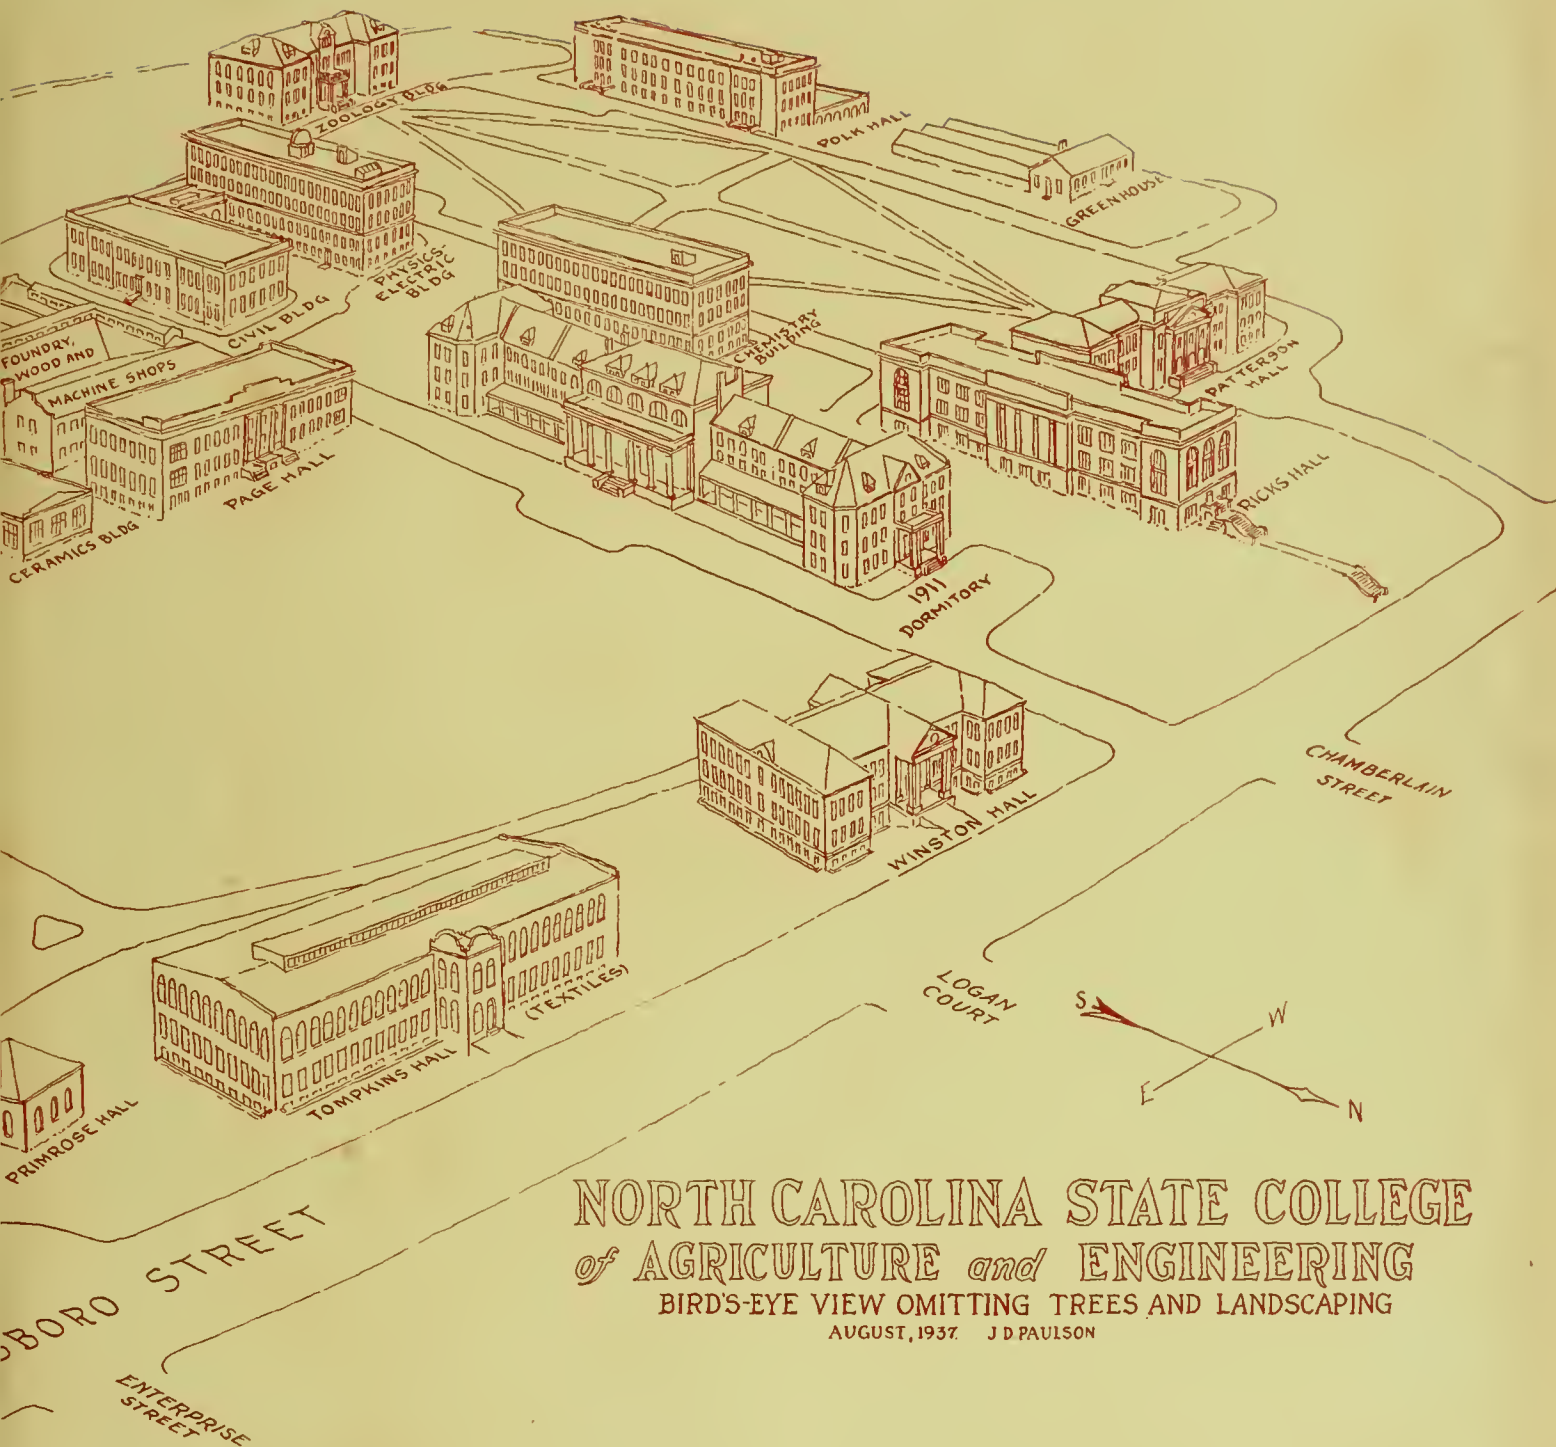

IN successfully fulfilling the requirements of the modern College Annual Staff we have combined a comprehensive and systematic servicing program with that high standard of quality so essential in the production of fine yearbooks. Lynchburg engraved annuals are built by an organization specializing on school annuals exclusively, thereby assuring each staff of the personal and intelligent assistance so necessary in the planning and designing of a truly satisfactory book.
